Table 13: Personal tax

Total work-related expenses, by occupation code, 2005–06 income year¹

Notes:

- * The symbol 'n.a.' used in this publication means not applicable or not available.
- * Totals may not equal the sum of components due to rounding.

- * In order to meet privacy regulations, the following measures have been applied.
 - (a) Number indicators shown may have been rounded to the nearest multiple of 5.
 - (b) Statistics for some items may not be included in some tables.

- 1 The statistics for the 2005–06 income year were sourced from 2006 individual income tax returns processed by 31 October 2007. The statistics are not necessarily complete. For further information please refer to the 'Source of personal tax statistics' section in the 'Personal tax' chapter of *Taxation statistics 2005–06*.
- 2 The occupation codes are classified based on 'Salary and wage occupation codes 2005'.
- 3 Sum of work-related deductions declared on the return (items D1 to D5).
- 4 Sum of 'Salary or wages' and 'Allowances, earnings, tips, director's fees' (items 1 and 2).
