

Medicare levy adjustment fortnightly tax table

This tax table applies to payments made from 1 July 2024.

Using this tax table

Use this tax table if you make payments to your employee on a fortnightly basis and they are entitled to a Medicare levy adjustment.

This tax table should be used with the *Fortnightly tax table* (NAT 1006) and the *Medicare levy variation declaration* (NAT 0929).

For a full list of tax tables, visit our website at ato.gov.au/taxtables

We have a calculator to help work out the correct amount of tax to withhold from payments to most employees. To access the calculator, visit our website at ato.gov.au/taxwithheldcalculator

When your employee is entitled to a Medicare levy adjustment

Your employee is entitled to an adjustment if they meet **all** of the following requirements:

- they have provided you with a *Medicare levy variation declaration* (NAT 0929) in which they
 - claimed dependants
 - answered **yes** to question 10 in the declaration 'Is the combined weekly income of you and your spouse, or your income as a sole parent, less than the relevant amount in table A on page 2?'
- they have fortnightly earnings of \$1,000 or more, but less than the corresponding amount in column A of Table 1
 - for example, an employee who claims 2 dependent children must have fortnightly earnings of less than \$2,494 to be entitled to a Medicare levy adjustment.

No Medicare levy is payable on fortnightly earnings of less than \$1,000.

If your employee claims more than 10 children, the column A amount is \$4,044 plus \$194 for each child claimed in excess of 10.

Column B shows the values used in calculating adjustments for employees with more than 5 dependent children. If your employee claims more than 10 dependent children, the column B amount is \$3,235.24 plus \$154.90 for each child in excess of 10.

For information about how to use Table 1, refer to 'Working out the Medicare levy adjustment' on page 2.

Medicare levy adjustments

Table 1: Medicare levy adjustment fortnightly earnings limits

Dependants	Column A	Column B
Spouse only	\$2,106	–
1 child	\$2,300	–
2 children	\$2,494	–
3 children	\$2,688	–
4 children	\$2,882	–
5 children	\$3,076	–
6 children	\$3,268	\$2,615.70
7 children	\$3,462	\$2,770.58
8 children	\$3,656	\$2,925.46
9 children	\$3,850	\$3,080.34
10 children	\$4,044	\$3,235.24

Working out the withholding amount

To work out the amount you need to withhold, follow these steps:

1. Use the *Fortnightly tax table* (NAT 1006) to find the fortnightly amount to withhold from your employee's earnings, allowing for any tax offsets claimed.
2. Reduce this amount by the amount of the Medicare levy adjustment, worked out as detailed in Working out the Medicare levy adjustment.

Where the adjustment equals or exceeds the amount obtained in step 1, the amount to be withheld is nil.

Working out the Medicare levy adjustment

How you work out the Medicare levy adjustment varies depending on the number of dependent children your employee is claiming, see either:

- Employee claiming spouse and/or 1 to 5 dependent children
- Employee with more than 5 dependent children.

Employee claiming spouse and/or 1 to 5 dependent children

Round the fortnightly earnings down to the nearest dollar amount. Use the table from page 4 to find your employee's fortnightly earnings – or the nearest lower figure, in the 'Fortnightly earnings' column and find the corresponding amount of Medicare levy adjustment in the appropriate column.

Example: employee claiming spouse and/or 1 to 5 dependent children

The employee has fortnightly earnings of \$1,036 and is claiming 4 dependent children on the *Medicare levy variation declaration*. Find \$1,036 in the 'Fortnightly earnings' column and refer to the corresponding Medicare levy adjustment of \$4.00 from the '4 children' column.

Employee with more than 5 dependent children

How you work out the Medicare levy adjustment for an employee with more than 5 dependent children varies depending on the fortnightly earnings of your employee.

Refer to:

- Fortnightly earnings less than \$2,461
- Fortnightly earnings of \$2,461 or more but less than the column B amount that corresponds to the number of dependent children claimed
- Fortnightly earnings of \$2,461 or more and greater than the column B amount but less than the column A amount that corresponds to the number of dependent children claimed.

Fortnightly earnings less than \$2,461

Use the '5 children' column. Round the fortnightly earnings down to the next dollar amount. Use the table from page 4 to find your employee's earnings – or the nearest lower figure, in the 'Fortnightly earnings' column and refer to the corresponding amount of Medicare levy adjustment from the '5 children' column.

Example: fortnightly earnings less than \$2,461

The employee has fortnightly earnings of \$1,015.30 and is claiming 6 dependent children. Find \$1,015, or the nearest lower figure, in the 'Fortnightly earnings' column and refer to the corresponding Medicare levy adjustment of \$2.00 from the '5 children' column.

Fortnightly earnings of \$2,461 or more but less than the column B amount that corresponds to the number of dependent children claimed

Round the fortnightly earnings down to the next dollar amount. Take 2% of that amount and round to the nearest dollar.

Example: fortnightly earnings of \$2,461 or more but less than the column B amount

The employee has fortnightly earnings of \$2,530.50 and is claiming 7 dependent children. Take 2% of \$2,530 (the next lower dollar amount), this equals \$50.60.

The Medicare levy adjustment is \$51, rounded to the nearest dollar.

Fortnightly earnings of \$2,461 or more and greater than the column B amount but less than the column A amount that corresponds to the number of dependent children claimed

Complete steps 1–4 below:

1. Take 2% of the relevant column B amount. Round the result to the nearest cent.
2. Take 8% of the difference between the fortnightly earnings (round down to the next dollar amount) and the column B amount. Round the result to the nearest cent.
3. Subtract the result of step 2 from step 1.
4. Round the result to the nearest dollar.

Example: fortnightly earnings of \$2,461 or more and greater than the column B amount

The employee has fortnightly earnings of \$3,066.00 and is claiming 8 dependent children.

1. $2\% \times \$2,925.46$ (column B amount for 8 children)
= \$58.51
2. $8\% \times (\$3,066.00 - \$2,925.46)$
= $8.0\% \times \$140.54$
= \$11.24
3. $\$58.51 - \11.24
= \$47.27
4. \$47.00 (\$47.27 rounded to the nearest dollar).

The Medicare levy adjustment is \$47.

Using a formula

The withholding amounts shown in this tax table can be expressed in a mathematical form.

If you have developed your own payroll or accounting software package, refer to *Schedule 1 – Statement of formulas for calculating amounts to be withheld* (NAT 1004).

PAYG withholding publications

You can access all PAYG withholding tax tables and other PAYG withholding publications at:

- ato.gov.au/taxtables

Our commitment to you

We are committed to providing you with accurate, consistent and clear information to help you understand your rights and entitlements and meet your obligations.

If you follow our information in this publication and it turns out to be incorrect, or it is misleading and you make a mistake as a result, we must still apply the law correctly. If that means you owe us money, we must ask you to pay it but we will not charge you a penalty. Also, if you acted reasonably and in good faith we will not charge you interest.

If you make an honest mistake in trying to follow our information in this publication and you owe us money as a result, we will not charge you a penalty. However, we will ask you to pay the money, and we may also charge you interest. If correcting the mistake means we owe you money, we will pay it to you. We will also pay you any interest you are entitled to.

If you feel that this publication does not fully cover your circumstances, or you are unsure how it applies to you, you can seek further assistance from us.

We regularly revise our publications to take account of any changes to the law, so make sure that you have the latest information. If you are unsure, you can check for more recent information on our website at ato.gov.au or contact us.
