

Withholding declaration

Who should complete this declaration?

You should complete this declaration if you want:

- your payer to adjust the amount withheld from payments made to you
- to advise your payer of a change to information you previously provided in a *Tax file number declaration* (NAT 3092).

! These instructions are current from **1 July 2021**.

You must lodge a new declaration if either:

- you leave your current payer and start to receive payments from a new payer
- your circumstances change.

! If you give the wrong information, you may have a tax debt at the end of the income year.

Is this the right form for you?

Complete this declaration if the following applies:

- you have completed a *Tax file number declaration* (NAT 3092) with your current payer and you now want to
 - advise your payer that you have become, or ceased to be, an Australian resident for tax purposes
 - claim or discontinue claiming the tax-free threshold
 - advise your payer of your Higher Education Loan Program (HELP), VET Student Loan (VSL), Financial Supplement (FS), Student Start-up Loan (SSL) or Trade Support Loan (TSL) debt, or make changes to them
 - claim your entitlement, or vary your entitlement to a tax offset (including the seniors and pensioners tax offset [SAPTO]).

Downward variation

You can apply to reduce the rate or amount of withholding if you believe you will have too much tax withheld from your pay for the year. To apply, you must complete a *PAYG withholding variation application* (NAT 2036) and send it to us.

Upward variation

If you want to increase the rate or amount of withholding from your pay you can now do so by providing a written request to your payer. Refer to *Upward variations* on our website at ato.gov.au

How to complete this form

Section A: Payee's declaration

Questions 1 and 2

Complete with your personal information.

Question 3

What is your tax file number (TFN)?

We and your payer are authorised by the *Taxation Administration Act 1953* to request your tax file number (TFN). It is not an offence not to quote your TFN. However, quoting your TFN reduces the risk of administrative errors and having extra tax withheld. Your payer is required to withhold the top rate of tax from all payments made to you if you do not provide your TFN or claim an exemption from quoting your TFN.

How do you find your TFN?

You can find your TFN on any of the following:

- your income tax notice of assessment
- correspondence we send you
- a payment summary your payer issues to you.

If you have a tax agent, they may also be able to tell you your TFN.

If you still can't find your TFN, you can:

- phone us on **13 28 61** between 8.00am and 6.00pm, Monday to Friday
- visit your nearest shopfront (phone us on **13 28 61** to make an appointment)
- complete a *Tax file number – application or enquiry for individuals* (NAT 1432).

If you phone or visit us we need to know we are talking to the correct person before discussing your tax affairs. We will ask you for details only you, or your authorised representative would know.

Print **X** in the appropriate box if you:

- have lodged a *Tax file number – application or enquiry for individuals* (NAT 1432) or made a phone or counter enquiry to obtain your TFN
- are claiming an exemption from quoting a TFN. You are exempt from quoting your TFN if you meet any of the following conditions
 - you are under 18 years of age and do not earn enough to pay tax

- you receive certain Centrelink pensions, benefits or allowances or a service pension from the Department of Veterans' Affairs. However you will need to quote your TFN if you receive Jobseeker Payment from 20 March 2020, Youth, Austudy, Newstart, sickness or parenting allowance
- you receive benefits from the Military Rehabilitation and Compensation Commission.

Question 4

Are you an Australian resident for tax purposes or a working holiday maker?

Generally, we consider you to be an Australian resident for tax purposes if you:

- have always lived in Australia or you have come to Australia and now live here permanently
- are an overseas student doing a course that takes more than six months to complete
- migrate to Australia and intend to reside here permanently.

If you go overseas temporarily and do not set up a permanent home in another country, you may continue to be treated as an Australian resident for tax purposes.

If you are in Australia on a working holiday visa (subclass 417) or a work and holiday visa (subclass 462) you must place an X in the working holiday maker box. Special rates of tax apply for working holiday makers.

➤ For more information about working holiday makers, visit ato.gov.au/whm

If you're not an Australian resident for tax purposes or a working holiday maker, place an X in the foreign resident box, unless you are in receipt of an Australian Government pension or allowance.

Temporary residents can claim super when leaving Australia, if all requirements are met. For more information, visit ato.gov.au/departaustralia

➤ Foreign resident tax rates are different

A higher rate of tax applies to a foreign resident's taxable income and foreign residents are not entitled to a tax-free threshold nor can they claim tax offsets to reduce withholding, unless you are in receipt of an Australian Government pension or allowance.

➤ To check your Australian residency status for tax purposes or for more information visit ato.gov.au/residency

Question 5

Do you want to claim the tax-free threshold from this payer?

The tax-free threshold is the amount of income you can earn each financial year that is not taxed. By claiming the threshold, you reduce the amount of tax that is withheld from your pay during the year.

Answer **yes** if you want to claim the tax-free threshold, you are an Australian resident for tax purposes and one of the following applies:

- you are not currently claiming the tax-free threshold from another payer
- you are currently claiming the tax-free threshold from another payer and your total income from all sources will be less than the tax-free threshold.

Answer **yes** if you are a foreign resident in receipt of an Australian Government pension or allowance.

Answer **no** if none of the above applies or you are a working holiday maker.

! If you receive any taxable government payments or allowances such as Newstart, Youth Allowance, Jobseeker Payment from 20 March 2020 or Austudy payment, you are likely to be already claiming the tax-free threshold from that payment.

> For more information about the current tax-free threshold, which payer you should claim it from or how to vary your withholding rate, visit ato.gov.au/taxfreethreshold

Question 6

Do you have a Higher Education Loan Program (HELP), VET Student Loan (VSL), Financial Supplement (FS), Student Start-up Loan (SSL) or Trade Support Loan (TSL) debt?

Answer **yes** if you have a HELP, VSL, FS, SSL or TSL debt.

Answer **no** if you do not have a HELP, VSL, FS, SSL or TSL debt, or you have repaid your debt in full.

! You have a HELP debt if either:

- the Australian Government lent you money under HECS-HELP, FEE-HELP, OS-HELP, VET FEE-HELP, VET Student loans prior to 1 July 2019 or SA-HELP
- you have a debt from the previous Higher Education Contribution Scheme (HECS).

You have a SSL debt if you have an ABSTUDY SSL debt.

You have a separate VSL debt that is not part of your HELP debt if you incurred it from 1 July 2019.

> Find out more

Information about HELP, VSL, FS, SSL or TSL debts:

- visit ato.gov.au/getloaninfo
- phone us on **13 28 61** between 8.00am and 6.00pm, Monday to Friday.

Question 7

Do you want to claim or vary your tax offset entitlement by reducing the amount withheld from payments made to you?

There are two categories of tax offsets in this section at this question:

- a invalid or invalid carer tax offset
- b zone or overseas forces tax offset.

> Find out more

Information about calculating your tax offset entitlement:

- visit ato.gov.au/withholdingdecs
- phone us on **13 28 61** between 8.00am and 6.00pm, Monday to Friday.

! Overestimating your entitlement to any of these benefits may result in a tax debt at the end of the year. Similarly, underestimating may lead to a tax refund.

If you cannot estimate your entitlement to certain benefits for the year, you can claim it at the end of the financial year on your tax return.

Question 8

Do you want to claim the seniors and pensioners tax offset (SAPTO) by reducing the amount withheld from payments made to you?

Claim the tax offset from only one payer

You are not entitled to reduce your withholding amounts, or claim the seniors and pensioners tax offset (SAPTO), with more than one payer at the same time.

If you receive income from more than one source and need help with this question, phone 1300 360 221 between 8.00am and 6.00pm, Monday to Friday.

How your income affects the amount of your tax offset

You must meet the eligibility conditions to receive SAPTO. Your rebate income, not your taxable income, determines the amount of SAPTO, if any, you will receive.

Answer **yes** if you are eligible and choose to claim the SAPTO with this payer by reducing the amount withheld from payments made to you during the year.

-  For more information about eligibility for SAPTO:
- visit ato.gov.au/withholdingdecs
 - phone us on **13 28 61** between 8.00am and 6.00pm, Monday to Friday.

Declaration

Make sure that you have signed and dated the declaration. Give your completed declaration to your payer.

Section B: Payer's declaration

This section is to be completed by the payer.

Payer obligations

If you withhold amounts from payments, or are likely to withhold amounts, your payee may give you this form with section A completed. A *Withholding declaration* applies to payments made after the declaration is provided to you. The information provided on this form is used to determine the amount of tax to withhold from payments based on the PAYG withholding tax tables we publish. If your payee gives you another declaration, it overrides any previous one.
