-

-
- (a) an entity (the *joining entity*) becomes a subsidiary member of a consolidated group or MEC group at a time (the *joining time*); and
 - (b) the asset or liability becomes that of the head company of the group because subsection 701-1(1) of the *Income Tax Assessment Act 1997* (the single entity rule) applies when the joining entity becomes a subsidiary member of the group; and

 - (i) starting at the joining time; and
 - (ii) ending at the start of the head company's first applicable income year; and
 - (f) the head company elects to have subitem 104(2) apply to itself; and
 - (g) the joining entity is *not* a chosen transitional entity (within the meaning of Division 701 of the *Income Tax (Transitional Provisions) Act 1997*).

Note: Item 104C prevents the application of this item in relation to certain assets and liabilities.

- (2) For the purposes of subitem 104(13) and Division 230 of the *Income Tax Assessment Act 1997*:

- (4) In the case of an asset, subitems (5), (6) and (7) apply if, on the assumption that subsection 701-55(5A) of the *Income Tax Assessment Act 1997* applies in relation to the asset at the joining time, paragraph 701-55(5A)(b) of that Act would apply in relation to the asset.
- (5) Work out if the Division 230 starting value for the asset at the joining time exceeds or falls short of its tax cost setting amount.

- (9) Treat the amount of the payment mentioned in subsection 715-375(2) of that Act as being the amount of consideration that the joining entity would need to provide, if it were to cease holding the liability just before the joining time, without an amount being assessable income of, or deductible to, the joining entity.

104C Exception to item 104B

- (1) Subitem (2) applies if:
 - (a) assuming that item 51 of Schedule 3 to the *Tax Laws Amendment (2012 Measures No. 2) Act 2012* commenced at the same time as this item, that item would apply in relation to a ruling or advice; and

- (2) Item 104B does not apply in relation to the asset.
- (3) Subitem (4) applies if:
- (a) subitem (2) applies; and
 - (b) a liability is, or is part of, a financial arrangement at the start of the income year mentioned in subitem (1); and
 - (c) the financial arrangement is of the same kind as the financial arrangement mentioned in paragraph (1)(c); and
 - (d) the requirements in subitem 104B(1) are satisfied in relation to the liability; and
 - (e) the head company mentioned in subitem 104B(1) is the same entity as the head company mentioned in paragraph (1)(e) of this item.
- (4) Item 104B does not apply in relation to the liability.

Rights to future amounts

Other provisions

(6) If any provision of this Act that is not mentioned above is to apply in relation to the asset by including an amount in assessable income, or by allowing an amount as a deduction, in a way that brings into account (directly or indirectly) any of the following amounts:

- (a) the cost of the asset;
- (b) outgoings incurred, or amounts paid, in respect of the asset;
- (c) expenditure in respect of the asset;
- (d) an amount of a similar kind in respect of the asset;

the expression means that the provision applies, for the purpose of determining the amount included in assessable income or the amount of the deduction, as if the cost, outgoing, expenditure or

other amount had been incurred or paid to acquire the asset at the particular time for an amount equal to its *tax cost setting amount.

Note 1: This subsection modifies the application of the provision only for the purpose of determining the amount included in assessable income or the amount of the deduction. Therefore:

- (a) the acquisition mentioned in this subsection is recognised only for that purpose; and
- (b) apart from the things mentioned in subsection 701-56(1), that acquisition does not affect the operation of section 701-5 (the entry history rule) in relation to the asset for other purposes.

Note 2: For specific clarifications of the operation of this subsection in relation to bad debts, see Subdivision 716-S.

17 Section 701-56 (heading)

- (4) A *right to future income that is a right of an entity under a contract or agreement with another entity (the customer) is a *non-deductible right to future income* in relation to the entity to the extent that the value of the right to future income:
 - (a) is contingent on the renewal of the contract or agreement; or
 - (b) is attributable to a period (if any) during which the customer can unilaterally cancel the contract or agreement without paying compensation or a penalty; or

or a penalty—is attributable to that period, but not to that compensation or penalty.

- for the purposes of this Part, treat the contract or agreement (excluding the right to future income) as a separate asset.
- (4) For the purposes of this Part:
- (a) take into account all the obligations and conditions relating to a *right to future income treated as a separate asset under subsection (2) in working out the *market value of that separate asset; and
 - (b) if a contract or agreement (excluding the right to future income) is treated as a separate asset under subsection (3)—take into account all the obligations and conditions relating to each right (other than the right to future income) that forms

part of the contract or agreement in working out the market value of that separate asset.

21 Paragraph 705-25(5)(d)

Omit “a right that is an *unbilled income asset”, substitute “a right that is an asset covered by section 716-410 (rights to amounts that are expected to be included in assessable income)”.

- (4) If subsection (3) does not apply:
 - (a) the *right to future income is not taken into account under paragraph 705-35(1)(b) or (c); and
 - (b) the right to future income’s *tax cost setting amount is taken to be nil.
