### **When this Ruling applies**

6. This Ruling applies from 1 July 2022 to 30 June 2023.

## **Ruling**

### **CGT event A1 happened on the disposal of your SGH Australia Plus units**

7. CGT event A1 happened when you disposed of your SGH Australia Plus units to the Trustee of SGH HC Fund (subsection 104-10(1)).

8. The time of CGT event A1 is the date on which you contracted to dispose of your SGH Australia Plus Units to the trustee of the SGH HC Fund (Implementation Date) (paragraph 104-10(3)(a)).

9. You will make a capital gain from CGT event A1 happening if the capital proceeds from the disposal of an SGH Australia Plus unit exceed its cost base. You will make a capital loss from CGT event A1 happening if the capital proceeds from the disposal of an SGH Australia Plus unit are less than its reduced cost base (subsection 104-10(4)).

10. The capital proceeds from CGT event A1 happening are equal to the market value of the SGH HC Fund units that you received (paragraph 116-20(1)(b)).

### **Availability of scrip for scrip roll-over for your SGH Australia Plus units**

11. If you make a capital gain from the disposal of your SGH Australia Plus units, you may choose to obtain scrip for scrip roll-over in respect of the capital gain (section 124-781) unless the exception in paragraph 12 of this Ruling applies to you.

12. You cannot choose scrip for scrip roll-over if any capital gain you might subsequently make from the replacement SGH HC Fund units would be disregarded, except because of a roll-over (paragraph 124-795(2)(a)).

### **Consequences if you choose to obtain scrip from scrip roll-over for your SGH Australia Plus units**

13. If you choose to obtain scrip for scrip roll-over:

- The capital gain arising from CGT event A1 happening in respect of the disposal of your SGH Australia Plus units is disregarded (subsection 124-785(1)).
- You calculate the first element of the cost base or reduced cost base of each replacement SGH HC Fund unit by dividing the aggregate cost bases or reduced cost bases of your SGH Australia Plus units by the number of replacement SGH HC Fund units you received (subsections 124-785(2) and (4)).

---

Status: **legally binding**

---

- You are taken to have acquired the SGH HC Fund units on the date you acquired your original SGH Australia Plus units (table item 2(a) of subsection 115-30(1)).

### **Consequences if you do not, or cannot, choose scrip for scrip roll-over for your SGH Australia Plus units**

14. If you do not, or cannot, choose scrip for scrip roll-over, you must account for any capital gain or capital loss from CGT event A1 happening on the disposal of your SGH Australia Plus units in working out your net capital gain or net capital loss for the income year in which CGT event A1 happens (sections 102-5 and 102-10).

15. If you make a capital gain and do not, or cannot, choose scrip for scrip roll-over, you can treat the capital gain as a 'discount capital gain' if you meet the conditions in Subdivision 115-A. In particular, the SGH Australia Plus units that you disposed of must have been acquired by you at least 12 months before the Implementation Date.

16. If you do not, or cannot, choose scrip for scrip roll-over, the first element of the cost base and reduced cost base of the replacement SGH HC Fund units you received is equal to the market value of your SGH Australia Plus units given in respect of acquiring the SGH HC Fund units, worked out as at the time you acquired the replacement SGH HC Fund units (paragraph 110-25(2)(b) and subsection 110-55(2)).

17. If you do not, or cannot, choose scrip for scrip roll-over, the date of acquisition of the replacement SGH HC Fund units is the implementation date (table item 3 of section 109-10).

### **Scheme**

18. The following description of the scheme is based on information provided by the applicant. If the scheme is not carried out as described, this Ruling cannot be relied upon.

21. SGH Australia Plus has one class of units on issue. As of 30 June 2022, there were 32 unit holders.

#### **SGH High Conviction Fund**

22. SGH HC Fund is an Australian-resident unit trust settled on 28 October 2004. SGH HC Fund is a registered managed investment scheme under Chapter 5C of the *Corporations Act 2001*.

---

25. SGH HC Fund is an attribution managed investment trust under Division 276.

### **The merger**

26. Equity Trustees Limited, the trustee of both SGH Australia Plus and the SGH HC Fund, gain efficiencies by merging the 2 funds, which share strong similarities in investment portfolios and the same performance benchmarks.

27. On 1 August 2022, the Trustee of SGH HC Fund made an offer to all of the unit holders of SGH Australia Plus on the same terms to acquire all the units on issue in SGH Australia Plus (the Offer). The Offer was open until 26 August 2022.

28. SGH Australia Plus unit holders who accepted the Offer disposed of their SGH Australia Plus Units in exchange for new units in SGH HC Fund on 26 August 2022. No cash or other property was paid or otherwise provided to the unit holders of SGH Australia Plus. Accepting SGH Australia Plus unit holders all received the same class of units in SGH HC Fund.

29. As a result of the Offer, the trustee of SGH HC Fund acquired more than 80% of the units on issue in SGH Australia Plus.

30. The number of SGH HC Fund units that SGH Australia Plus unit holders received was determined by reference to the market value of each SGH Australia Plus unit and each SGH HC Fund unit on the Implementation Date. The accepting SGH Australia Plus unit holders received a number of SGH HC Fund units with a total market value that was substantially equivalent to the total market value of their SGH Australia Plus units.

### **Other matters**

31. The trustee of SGH HC Fund will not make a choice to deny a roll-over to the unit holders of SGH Australia Plus under subsection 124-795(4).

32. SGH Australia Plus and SGH HC Fund did not have a 'significant stakeholder' or 'common stakeholder' in relation to the scheme within the meaning of those terms in section 124-783.

33. SGH Australia Plus unit holders and the Trustee of SGH HC Fund dealt with each other at arm's length (for the purposes of subsection 124-781(4)).

### **Scrip for scrip roll-over**

34. The significant tax consequence that is the subject of this Ruling is the availability of scrip for scrip roll-over under Subdivision 124-M. The roll-over enables a unit holder to disregard a capital gain from the disposal of a unit if the unit holder receives a replacement unit in exchange. It also provides special rules for calculating the cost base and reduced cost base of the replacement unit.

35. Subdivision 124-M contains a number of conditions for, and exceptions to, a unit holder being able to choose scrip for scrip roll-over. The main requirements that are relevant to the scheme that is the subject of this Ruling are:

- units are exchanged for units in another trust
- entities have fixed entitlements to all of the income and capital of the original and the acquiring trusts
- the exchange is in consequence of an arrangement that satisfies subsection 124-781(2) or (2A)
- the conditions for the roll-over under subsection 124-781(3) are satisfied
- further conditions in subsection 124-781(4), if applicable, are satisfied, and
- exceptions for the roll-over in section 124-795 are not applicable.

36. The scheme that is the subject of this Ruling satisfies the requirements for roll-over under Subdivision 124-M.
