Draft Taxation Determination

Income tax: is a police officer entitled to a deduction for the cost of renewing a driver's licence?

1. No. While the holding of a driver's licence may be a condition of employment, it does not follow that the licence fees are deductible. They are private in nature and accordingly not deductible under subsection 51(1) of the *Income Tax Assessment Act 1936*.

2. The right to drive on the public roads does not cease to be a private right merely because the taxpayer is employed in some capacity which involves the use of the public road system. (See *Case R49 84 ATC 387*; *Butterworths 27 CTBR(NS) Case 104*)
