## Addendum

### Goods and Services Tax Ruling

#### Goods and services tax: adjustment notes

This Addendum amends Goods and Services Tax Ruling GSTR 2000/1 to make minor technical updates to reflect amendments to the *A New Tax System (Goods and Services Tax) Act 1999* and the *Taxation Administration Act 1953* since the Ruling was issued.

The Addendum also updates GSTR 2000/1 to refer to relevant Legislative Determinations, a law administration practice statement and a GST Ruling, which have since issued.

The Addendum also amends:

- the Legislative Determination reproduced at Schedule 1 to GSTR 2000/1 to include the registration number and date as it is now registered on the Federal Register of Legislative Instruments; and
- replaces the Legislative Determination reproduced at Schedule 2 to GSTR 2000/1 with the Legislative Determination that is registered on the Federal Register of Legislative Instruments. The Legislative Determination substituted has the same effect.

#### **GSTR 2000/1 is amended as follows:**

##### **1. Paragraph 6**

Omit the paragraph including the note; substitute:

6. This Ruling explains the Commissioner's view of the law as it applies both before and after its date of issue. You can rely on this Ruling on and from its date of issue for the purposes of section 105-60 of Schedule 1 to the *Taxation Administration Act 1953* (TAA). Goods and Services Tax Ruling GSTR 1999/1 explains the GST rulings system and the Commissioner's view of when you can rely on this interpretation of the law in GST public and private rulings.

# GSTR 2000/1

6A. Changes made to this Ruling by Addenda that issued on 14 June 2000, 1 March 2006 and 2 April 2008 have been incorporated into this version of the Ruling.<sup>1A</sup> You can rely on the changes made to the Ruling by each Addendum for the purposes of section 105-60 of Schedule 1 to the TAA from the date of issue of the relevant Addendum. If the Addendum conflicts with a previous private ruling that you have obtained or a previous public ruling, the Addendum prevails.

6B. If you have relied on a previous ruling (including the public ruling that the Addendum amends), you are protected in respect of what you have done up to the date of issue of the relevant Addendum or, if there is a change to the legislation, you are protected in respect of what you have done up to the date the legislative change takes effect. This means that if you have relied on the previous ruling and have underpaid an amount of GST, you are not liable for the shortfall prior to either the issue date of the relevant Addendum or the date the legislative change takes effect, as appropriate. Similarly, if you have relied on the previous ruling you are not liable to repay an amount overpaid by the Commissioner as a refund.
