Erratum

Income tax: what are the thresholds and limits for superannuation amounts in 2000-2001?

An error in the calculation of the ETP low rate threshold for the year ended 30 June 1995 has been found.

The threshold was previously reported as: \$100,696

The correct threshold is: \$101,188.

Delete paragraph 7 of Taxation Determination TD 2000/23 and replace with the below:

7. For the purposes of section 159SG of the Act, the **upper limit for determining the residual amount**, i.e., the threshold on the post-June 1983 component of an ETP is:

\$101,188 (formerly \$97,109).
