1 This publication provides you with the following level of protection:

This publication (excluding appendixes) is a public ruling for the purposes of the *Taxation Administration Act 1953*.

A public ruling is an expression of the Commissioner's opinion about the way in which a relevant provision applies, or would apply, to entities generally or to a class of entities in relation to a particular scheme or a class of schemes.

If you rely on this ruling, the Commissioner must apply the law to you in the way set out in the ruling (unless the Commissioner is satisfied that the ruling is incorrect and disadvantages you, in which case the law may be applied to you in a way that is more favourable for you – provided the Commissioner is not prevented from doing so by a time limit imposed by the law). You will be protected from having to pay any underpaid tax, penalty or interest in respect of the matters covered by this ruling if it turns out that it does not correctly state how the relevant provision applies to you.

Two adults	\$367
Three adults	\$412
One adult and one child	\$296

TD 2010/4

(‘Adults’ for this purpose are persons who had attained the age of 12 years *before* the beginning of the FBT year.)

2. In relation to larger family groupings, the Commissioner accepts a food component based on the above figures plus \$138 for each additional adult and \$67 for each additional child.

Example

3. *Bob and his wife and their five children (all under 12 years of age) are temporarily living in Australia while Bob is working on a project for his employer (an overseas company). Bob is in receipt of a living-away-from-home allowance. The amount that is considered to be a reasonable food component of the allowance for the year commencing 1 April 2010 is \$614 per week. (That is, \$480 plus \$134).*

Date of effect

4. This Determination applies to the FBT year commencing 1 April 2010.
