 This cover sheet is provided for information only. It does not form part of *TD 93/128 - Income tax: what is the current status of Taxation Rulings IT 2624 and IT 2662 to the extent that they relate to elections and notifications?*

 This document has changed over time. This is a consolidated version of the ruling which was published on *1 July 1993*

This Determination, to the extent that it is capable of being a 'public ruling' in terms of Part IVAAA of the *Taxation Administration Act 1953*, is a public ruling for the purposes of that Part. Taxation Ruling TR 92/1 explains when a Determination is a public ruling and how it is binding on the Commissioner. Unless otherwise stated, this Determination applies to years commencing both before and after its date of issue. However, this Determination does not apply to taxpayers to the extent that it conflicts with the terms of a settlement of a dispute agreed to before the date of issue of the Determination (see paragraphs 21 and 22 of Taxation Ruling TR 92/20).
