

TD 93/37W - Income tax: capital gains: where an asset owned by the deceased at the time of death passes to a remainderman on the death of a life tenant, what is the date of acquisition of the asset by the remainderman?

 This cover sheet is provided for information only. It does not form part of *TD 93/37W - Income tax: capital gains: where an asset owned by the deceased at the time of death passes to a remainderman on the death of a life tenant, what is the date of acquisition of the asset by the remainderman?*

 This document has changed over time. This is a consolidated version of the ruling which was published on 7 April 2010

Notice of Withdrawal

Taxation Determination

Income tax: capital gains: where an asset owned by the deceased at the time of death passes to a remainderman on the death of a life tenant, what is the date of acquisition of the asset by the remainderman?

Taxation Determination TD 93/37 is withdrawn with effect from today.

1. Taxation Determination TD 93/37 explains that an asset owned by a deceased is effectively taken to have been acquired by a remainderman on the date of death of the deceased under section 160X of the *Income Tax Assessment Act 1936* (ITAA 1936).
2. Subsections 160X(4) and 160X(5) of the ITAA 1936 were rewritten as section 128-15 of the *Income Tax Assessment Act 1997* (ITAA 1997). Subsections 160X(4) and 160X(5) of the ITAA 1936 were repealed by the *Tax Laws Amendment (Repeal of Inoperative Provisions) Act 2006* (Act No. 101 of 2006), with effect from 14 September 2006.
3. The CGT treatment of life tenants and remaindermen is explained comprehensively in Taxation Ruling TR 2006/14. The issue dealt with in this Determination is included in Example 1 (see in particular paragraph 126 of TR 2006/14). As TD 93/37 is no longer current, it is withdrawn.
