However, as subsection 770-135(2) is only satisfied where the attributable taxpayer is a company, a foreign hybrid (which is treated as a partnership) will not be taken to have paid foreign income tax which has been paid by a CFC in which it holds an interest. Accordingly, a resident taxpayer that has an interest in such a foreign hybrid is not entitled to claim a foreign income tax offset for foreign income tax, income tax or withholding tax paid by a CFC in respect of an amount included in the CFC's notional assessable income.
