What this Ruling is about

1. This Ruling sets out the income tax consequences for Australian shareholders of Sky Network Television Limited (Sky TV) who received A\$2.21 on 29 November 2022 (Payment Date) for every one ordinary share in Sky TV (Sky TV share) that was cancelled under the scheme (Capital Return).
2. Details of this scheme are set out in paragraphs 14 to 34 of this Ruling.
3. All legislative references in this Ruling are to the *Income Tax Assessment Act 1997*, unless otherwise indicated.

Who this Ruling applies to

4. This Ruling applies to you if you:
 - are a 'resident of Australia' as defined in subsection 6(1) of the *Income Tax Assessment Act 1936* (ITAA 1936)
 - are not a 'temporary resident' as defined in subsection 995-1(1)
 - were registered on the Sky TV share register with an Australian address at 5:00 pm New Zealand time on 21 November 2022 (Record Date), and
 - held your Sky TV share on capital account on the Record Date; that is, you did not hold your Sky TV share as a revenue asset (as defined in section 977-50) or as trading stock (as defined in subsection 995-1(1)).
5. This Ruling does not apply to anyone who is subject to the taxation of financial arrangements rules in Division 230 in relation to the scheme outlined in paragraphs 14 to 34 of this Ruling.

Status: **legally binding**

When this Ruling applies

6. This Ruling applies from 1 July 2022 to 30 June 2023.

Ruling**Capital Return is not a share buy-back**

7. The Capital Return is not a share buy-back for the purposes of Division 16K of Part III of the ITAA 1936 as Sky TV did not buy back your share.

Capital Return is not a dividend

8. No part of the Capital Return paid to you by Sky TV on the Payment Date is a dividend as defined in subsection 6(1) of the ITAA 1936. This is because the entire amount of the Capital Return has been debited against an amount standing to the credit of Sky TV's share capital account. Therefore, no part of the Capital Return is included in your assessable income as a dividend under subparagraph 44(1)(a)(i) of the ITAA 1936.

Sections 45A, 45B and 45C of the ITAA 1936 do not apply

9. The Commissioner will not make a determination that section 45C of the ITAA 1936 applies to any part of the Capital Return you received on the Payment Date under:

- subsection 45A(2) of the ITAA 1936 – because there was no streaming of capital benefits to some Sky TV shareholders and dividends to other Sky TV shareholders as required by subsection 45A(1) of the ITAA 1936, or
- paragraph 45B(3)(b) of the ITAA 1936 – because the requirements of subsection 45B(2) of the ITAA 1936 were not satisfied.

10. Therefore, no part of the Capital Return paid by Sky TV to you is taken to be an unfranked dividend under those provisions.

Capital gains tax consequences**CGT event C2**

11. CGT event C2 happened on 22 November 2022 (Implementation Date), being the date your Sky TV share was cancelled (section 104-25).

12. You made a capital gain from CGT event C2 happening if the capital proceeds you received on the cancellation of your Sky TV share were more than the cost base of your Sky TV share. You made a capital loss from CGT event C2 happening if the capital proceeds from the cancellation of your Sky TV share were less than the reduced cost base of your Sky TV share (subsection 104-25(3)).

13. The capital proceeds from CGT event C2 happening on the cancellation of your Sky TV share are equal to the amount of the Capital Return you received for each Sky TV share that was cancelled (subsection 116-20(1)).

Status: **legally binding**
