### **Income tax: is a Police Officer entitled to a deduction for costs incurred in maintaining a "silent" telephone number?**

1. No. This expenditure does not meet the requirements of subsection 51(1) of the *Income Tax Assessment Act 1936*. It is not incurred in gaining or producing the officer's assessable income. As the expense relates to a decision, the effect of which is to preserve anonymity and privacy, the outgoing is additionally private in nature.
