Commencement

2. This determination commences on the date the *A New Tax System (Goods and Services Tax) Act 1999* commences.

Circumstance where the requirement for a tax invoice does not apply

3. The following circumstance is a circumstance of a kind in which the requirement for a tax invoice under subsection 29-10(3) of the Act does not apply:
- (a) a transitional document, and any other document issued by the relevant supplier that relates to the transitional document, is held by a relevant recipient; and
 - (b) the transitional document contains the following information, or, where the relevant recipient holds a transitional document and another document, the documents together contain the following information:
 - (i) the name or business name of the relevant supplier;
 - (ii) the address or ACN of the relevant supplier;
 - (iii) the date on which the document was issued by the relevant supplier;
 - (iv) if the GST payable on the taxable supply is equal to 1/11th of the price - either:
 - (A) the price of the taxable supply, and a statement indicating that the price includes GST; or
 - (B) the amount of GST payable;
 - (v) if the GST payable on the taxable supply is less than 1/11th of the price - the amount of the GST payable.
