17A Definition of self managed superannuation fund

Basic conditions—funds other than single member funds

- (1) Subject to this section, a superannuation fund, other than a fund with only one member, is a *self managed superannuation fund* if and only if it satisfies the following conditions:
- (a) it has fewer than 5 members;
 - (b) if the trustees of the fund are individuals—each individual trustee of the fund is a member of the fund;
 - (c) if the trustee of the fund is a body corporate—each director of the body corporate is a member of the fund;
 - (d) each member of the fund:
 - (i) is a trustee of the fund; or
 - (ii) if the trustee of the fund is a body corporate—is a director of the body corporate;
 - (e) no member of the fund is an employee of another member of the fund, unless the members concerned are relatives;
 - (f) no trustee of the fund receives any remuneration from the fund or from any person for any duties or services performed by the trustee in relation to the fund.

Basic conditions—single member funds

- (2) Subject to this section, a superannuation fund with only one member is a *self managed superannuation fund* if and only if:
-

- (a) if the trustee of the fund is a body corporate:
 - (i) the member is the sole director of the body corporate; or
 - (ii) the member is one of only 2 directors of the body corporate, and the member and the other director are relatives; or
 - (iii) the member is one of only 2 directors of the body corporate, and the member is not an employee of the other director; and
- (b) if the trustees of the fund are individuals:
 - (i) the member is one of only 2 trustees, of whom one is the member and the other is a relative of the member; or
 - (ii) the member is one of only 2 trustees, and the member is not an employee of the other trustee; and
- (c) no trustee of the fund receives any remuneration from the fund or from any person for any duties or services performed by the trustee in relation to the fund.

Certain other persons may be trustees

- (3) A superannuation fund does not fail to satisfy the conditions specified in subsection (1) or (2) by reason only that:
 - (a) a member of the fund has died and the legal personal representative of the member is a trustee of the fund or a director of a body corporate that is the trustee of the fund, in place of the member, during the period:
 - (i) beginning when the member of the fund died; and
 - (ii) ending when death benefits commence to be payable in respect of the member of the fund; or
 - (b) the legal personal representative of a member of the fund is a trustee of the fund or a director of a body corporate that is the trustee of the fund, in place of the member, during any period when:
 - (i) the member of the fund is under a legal disability; or
 - (ii) the legal personal representative has an enduring power of attorney in respect of the member of the fund; or
 - (c) if a member of the fund is under a legal disability because of age and does not have a legal personal representative—the parent or guardian of the member is a trustee of the fund in place of the member; or

- (d) an appointment under section 134 of an acting trustee of the fund is in force.

Circumstances in which entity that does not satisfy basic conditions remains a self managed superannuation fund

- (4) Subject to subsection (5), if a superannuation fund that is a self managed superannuation fund would, apart from this subsection, cease to be a self managed superannuation fund, it does not so cease until the earlier of the following times:
- (a) the time an approved trustee of the fund is appointed;
 - (b) 6 months after it would so cease to be a self managed superannuation fund.

Subsection (4) does not apply if admission of new members

- (5) Subsection (4) does not apply if the reason, or one of the reasons, why the superannuation fund would cease to be a self managed superannuation fund was the admission of one or more new members to the fund.

*Extended meaning of **employee** in certain circumstances*

- (6) For the purposes of this section, a member of a fund, who is an employee of an employer-sponsor of the fund, is also taken to be an employee of another person (the *other person*), if the employer-sponsor is:
- (a) a relative of the other person; or
 - (b) either of the following:
 - (i) a body corporate of which the other person, or a relative of the other person, is a director;
 - (ii) a body corporate related to that body corporate; or
 - (c) the trustee of a trust of which the other person, or a relative of the other person, is a beneficiary; or
 - (d) a partnership, where:
 - (i) the other person, or a relative of the other person, is a partner in the partnership; or
 - (ii) the other person, or a relative of the other person, is a director of a body corporate that is a partner in the partnership; or

- (iii) the other person, or a relative of the other person, is a beneficiary of a trust, if the trustee of the trust is a partner in the partnership.

Note 1: An effect of this subsection is that a fund will not be a self-managed superannuation fund if a member is employed by an employer-sponsor of the fund, and another member (who is not a relative) has a specified interest in that employer-sponsor: see paragraph (1)(e). An example of this would be where the employer-sponsor is a company of which another member is a director.

Note 2: Another effect is that a fund will not be a self-managed superannuation fund if its single member is employed by an employer-sponsor of the fund in which the other trustee of the fund (who is not a relative) has a specified interest: see subsection (2).

- (7) Subsection (6) does not limit the meaning of the term *employee*.

Regulations

- (8) For the purposes of this section:
- (a) a member of a fund is taken to be an employee of a person belonging to a class specified in the regulations for the purposes of this paragraph; and
 - (b) despite subsections (6) and (7) and section 15A, a member of a fund is not taken to be an employee of a person belonging to a class specified in the regulations for the purposes of this paragraph.

Meaning of relative

- (9) In this section:

relative, in relation to an individual, means:

- (a) a parent, child, grandparent, grandchild, sibling, aunt, uncle, great-aunt, great-uncle, niece, nephew, first cousin or second cousin of the individual or of his or her spouse or former spouse; or
- (b) another individual having such a relationship to the individual or to his or her spouse or former spouse because of adoption or remarriage; or
- (c) the spouse or former spouse of the individual, or of an individual referred to in paragraph (a) or (b).

Disqualified persons

- (10) For the avoidance of doubt, subsection (3) does not permit a person, in the capacity of legal personal representative of a disqualified person (within the meaning of section 120), to be a trustee of a self managed superannuation fund.

23 Subsection 18(1)

Omit “Subject to section 18A, a”, substitute “A”.

24 After paragraph 18(1)(a)

Insert:

- (aa) the fund is not a self managed superannuation fund; and

26 Subsection 19(4)

27 After subsection 19(4)

Insert:

Regulations

- (4A) Without limiting subsection (4), regulations for the purposes of that subsection may specify that notices are to be given to different persons or bodies in respect of different classes of superannuation funds.

28 At the end of subsection 21(2)

Add:

- ; (c) a person must not be the trustee of a superannuation fund with fewer than 5 members (other than a self managed superannuation fund) unless the person is an approved trustee.

29 At the end of subsection 21(2)

Add:

- ; (d) APRA may suspend or remove a trustee of a superannuation fund with fewer than 5 members (other than a self managed superannuation fund) if the trustee is not an approved trustee.

Insert:

36A Trustee of self managed superannuation fund to lodge annual returns

- (5) If the return is given to the Commissioner of Taxation other than by data processing device or by electronic transmission, the return must be signed by:
- (a) if the trustee is a body corporate—a director of the body corporate; or
 - (b) if the trustee is a group of 2 or more individuals—at least one of those individuals.

The hard copy need not be given to the Commissioner of Taxation, but must be kept by a person referred to in paragraph (b) for a period of 10 years beginning on the date on which it was signed.

- (7) A person who intentionally or recklessly contravenes this section commits an offence punishable on conviction by a fine not exceeding 50 penalty units.

Entity that was a self managed superannuation fund throughout a year of income

 - (a) either:
 - (i) the entity was a resident regulated superannuation fund at all times during the year of income when the entity was in existence; or
 - (ii) the entity was a resident regulated superannuation fund at all times during the year of income when the entity was in existence other than a time, before it became a resident regulated superannuation fund, when the entity was a resident approved deposit fund; and
 - (b) the entity passes the test in subsection (5) in relation to the year of income.

Entity that was a self managed superannuation fund during only part of a year of income

- (2) An entity that was a self managed superannuation fund during a part or parts of a year of income is a complying superannuation

fund in relation to that year of income for the purposes of this Division if:

- (a) either:
 - (i) the entity was a resident regulated superannuation fund at all times during the year of income when the entity was in existence; or
 - (ii) the entity was a resident regulated superannuation fund at all times during the year of income when the entity was in existence other than a time, before it became a resident regulated superannuation fund, when the entity was a resident approved deposit fund; and
- (b) both:
 - (i) the entity passes the test in subsection (5) in respect of the part or parts of the year of income during which the entity was a self managed superannuation fund; and
 - (ii) if the trustee contravened this Act or the regulations in relation to the entity in respect of any other part or parts of the year of income—the entity did not fail the culpability test set out in subsection 42(1A) in relation to any of those contraventions.

Funds coming into existence during year of income etc.

- (3) An entity that:
 - (a) is a superannuation fund that came into existence during the year of income and at that time or later in the year of income became a self managed superannuation fund; or
 - (b) was a resident approved deposit fund that became a superannuation fund during the year of income;is also a complying superannuation fund in relation to the year of income if:
 - (c) the entity complied with subsections 19(2) to (4):
 - (i) within 60 days after the day on which it came into existence or became a superannuation fund, as the case may be; or
 - (ii) within such further period, if any, as APRA (whether before or after the end of the period of 60 days) allows; and
 - (d) either of the following conditions is satisfied:

- (i) the trustee did not contravene this Act or the regulations in relation to the entity during the whole of the period (the *pre-lodgment period*) that began when the entity came into existence or became a superannuation fund, as the case may be, and ended when the entity complied with subsections 19(2) to (4);
- (ii) the trustee contravened this Act or the regulations in relation to the entity during the pre-lodgment period on one or more occasions but the trustee satisfies APRA that, because of special circumstances that existed in relation to the fund during the pre-lodgment period, it would be reasonable for the fund to be treated as if it had satisfied this Act and the regulations; and
- (e) the entity was a resident regulated superannuation fund at all times during the part of the year of income occurring after the pre-lodgment period; and
after the pre-lodgment period:
 - (f) the entity passed the test in subsection (5) in respect of the part or parts of the year of income, occurring after the pre-lodgment period, during which the entity was a self managed superannuation fund; and

Trustee makes an election

- (4) An entity that was a self managed superannuation fund at some time, or at all times, during a year of income is also a complying superannuation fund in relation to the year of income if:
 - (a) the trustee of the entity has purported to make an election under subsection 19(4); and
 - (b) if, when the election was made, the requirements of subsections 19(2) to (4) are not complied with:
 - (i) the requirements of subsections 19(2) to (4) (to the extent that they have not already been complied with) are complied with within 28 days after the trustee finds
-

- out (whether by written notice from APRA or otherwise) that they were not complied with, or within such further period, if any, as APRA (whether before or after the end of the period of 28 days) allows; and
- (ii) except where the trustee received written notice from APRA about the non-compliance—the trustee tells APRA in writing of the compliance within 7 days after the requirements are complied with or within such further period, if any, as APRA (whether before or after the end of the period of 7 days) allows; and
- (c) either of the following conditions is satisfied:
- (i) the trustee did not contravene this Act or the regulations in relation to the entity during the whole of the period (the *rectification period*) that began when the trustee of the entity lodged the purported election under subsection 19(4) and ended when the entity complied with subsections 19(2) to (4);
 - (ii) the trustee contravened this Act or the regulations in relation to the entity during the rectification period on one or more occasions but the trustee satisfies the APRA that, because of special circumstances that existed in relation to the fund during the rectification period, it would be reasonable for the fund to be treated as if it had satisfied this Act and the regulations; and
- (d) if the fund was in existence before the beginning of its 1994-95 year of income—under regulations made for the purposes of section 50, the fund is treated as if it had satisfied the transitional superannuation fund conditions at all times during the period that began at the beginning of the fund's 1994-95 year of income and ended when the trustee of the entity lodged the purported election under subsection 19(4); and
- (e) the entity was a resident regulated superannuation fund at all times during the part of the year of income occurring after the end of the rectification period; and
- (f) in respect of the part of the year of income occurring after the end of the rectification period, both:
- (i) the entity passed the test in subsection (5) in respect of the part or parts of the year of income occurring after

- the end of the rectification period, during which the entity was a self managed superannuation fund; and
- (ii) if the trustee contravened this Act or the regulations in relation to the entity in respect of any other part or parts of the year of income occurring after the end of the rectification period, during which the entity was not a self managed superannuation fund—the entity did not fail the culpability test set out in subsection 42(1A) in relation to any of those contraventions.

Circumstances in which entity passes the test in this subsection

- (5) An entity passes the test in this subsection in relation to a year of income or part of a year of income if:
 - (a) the trustee did not contravene this Act or the regulations in relation to the entity during the year of income or the part of the year of income; or
 - (b) if the trustee contravened this Act or the regulations in relation to the entity during the year of income or the part of the year of income, the Regulator, after considering:
 - (i) the taxation consequences that would arise if the entity were to be treated as a non-complying superannuation fund for the purposes of Part IX of the *Income Tax Assessment Act 1936* in relation to the year of income concerned; and
 - (ii) the seriousness of the contravention; and
 - (iii) all other relevant circumstances;thinks that a notice should nevertheless be given stating that the entity is a complying superannuation fund in relation to the year of income concerned.

Determining whether contravention

- (6) In determining for the purposes of this section whether the Act or the regulations were contravened in respect of the entity in respect of the pre-lodgment period or the rectification period, this Act and the regulations are taken to have applied in relation to the entity in respect of that period as if the entity were a resident regulated superannuation fund during that period.

References to APRA

- (7) If a person or body is specified in the regulations for the purposes of subsection 19(4), a reference to APRA in subparagraph (3)(c)(ii), (3)(d)(ii), or subsection (4) is taken to be a reference to that person or body.

106A Duty to notify Commissioner of Taxation of change in status of entity

Trustee’s duty to notify Commissioner of Taxation

- (1) The trustee of a superannuation entity must give written notice to the Commissioner of Taxation if the trustee:

- (a) has knowledge that the superannuation entity has ceased to be a self managed superannuation fund; or
- (b) has knowledge that the superannuation entity has become a self managed superannuation fund since first becoming a superannuation entity.

Note: The trustee of a fund that was already a self managed superannuation fund when the trustee made an election under section 19 does not have to give a notice to the Commissioner of Taxation at that time, because the fund became a self managed superannuation fund before (not since) becoming a superannuation entity.

Timing of notice

- (2) A notice under subsection (1) must be given as soon as practicable, and not later than 21 days, after the trustee first has knowledge that the superannuation fund has ceased to be, or has become, a self managed superannuation fund.

Offence
