Guide to Division 15

15-1 What this Division is about

This Division is mainly about how to work out how much an entity must withhold under Division 12.

In most cases, the entity will need to use either the Commissioner's withholding schedules or the regulations.

The entity will also need to take into account a TFN declaration or declaration under section 15-50 it has been given because, under the schedules and regulations, the declaration may affect how to calculate the amount to withhold.

This Division also deals with when an individual can make such a declaration (other than a TFN declaration) so as to change the amount that must be withheld from payments to the individual.

Subdivision 15-A—Working out how much to withhold

Table of sections

15-10	How much to withhold
15-15	Variation of amounts required to be withheld

15-10 How much to withhold

- (1) The amount that Subdivision 12-B, 12-C or 12-D requires to be withheld from a payment is to be worked out under the withholding schedules made under section 15-25. However, if the regulations prescribe how the amount is to be worked out, then it is to be worked out under the regulations.

Note 1: A TFN declaration, declaration under section 15-50 or voluntary agreement may affect how much is required to be withheld under the withholding schedules or regulations.

Note 2: The Commissioner may vary an amount required to be withheld. See section 15-15.

- (2) The amount that Subdivision 12-E, 12-F or 12-G (except one covered by section 12-325) requires to be withheld from a payment is to be worked out under the regulations.

Note 1: The amount that section 12-325 requires to be withheld is worked out under that section.

Note 2: The Commissioner may vary an amount required to be withheld. See section 15-15.

15-15 Variation of amounts required to be withheld

- (1) The Commissioner may, for the purposes of meeting the special circumstances of a particular case or class of cases, vary the *amount required to be withheld by an entity from a *withholding payment (except a withholding payment covered by section 12-140 or 12-145). If the Commissioner does so, the amount is varied accordingly.

Schedule 1 Pay as you go (PAYG) withholding

Note: Section 12-140 is about a payment arising from an investment where the recipient does not quote its tax file number (or, in some cases, its ABN). Section 12-145 is about an investor becoming presently entitled to income of a unit trust.

- (2) The Commissioner's power to vary an amount includes the power to reduce the amount to nil.
- (3) A variation must be made by a written notice:
 - (a) if it applies to a particular entity—that is given to that entity; or
 - (b) if it applies to a class of entities—that is given to each of the entities, or a copy of which is published in the *Gazette*.

Subdivision 15-B—Withholding schedules and regulations

15-25	Commissioner's power to make withholding schedules
15-30	Matters to be considered when making withholding schedules
15-35	Regulations about withholding

15-25 Commissioner's power to make withholding schedules

- (1) For the purposes of collecting income tax and the other liabilities referred to in paragraphs 11-1(b) and (c), the Commissioner may make one or more withholding schedules specifying the amounts, formulas and procedures to be used for working out the *amount required to be withheld by an entity from a *withholding payment covered by Subdivision 12-B, 12-C or 12-D.
- (2) A withholding schedule may deal differently with:
 - (a) different payments; and
 - (b) different circumstances of the recipients of those payments; and
 - (c) different periods in respect of which those payments are made.

This subsection does not limit subsection 33(3A) of the *Acts Interpretation Act 1901*.

- (3) The Commissioner may withdraw a withholding schedule.

- (4) A withholding schedule, or the withdrawal of a withholding schedule:
 - (a) only applies if a notice of it is published in the *Gazette*; and
 - (b) only applies in relation to payments made after the day the notice is published, or after such later day as is specified by the Commissioner in the notice.
- (5) The Commissioner must make each withholding schedule publicly available.

15-30 Matters to be considered when making withholding schedules

The Commissioner must have regard to the following matters when making a withholding schedule:

- (a) the rates of income tax as specified in the *Income Tax Rates Act 1986*;
- (b) the rates of Medicare levy as specified in the *Medicare Levy Act 1986*;
- (c) the rates specified in section 106Q (about repayments of accumulated HEC debts) of the *Higher Education Funding Act 1988*;
- (d) any prescribed *tax offsets;
- (e) the family tax benefit (within the meaning of the *A New Tax System (Family Assistance) Act 1999*);
- (f) the periods in respect of which *withholding payments are made;
- (g) any other prescribed matter.

15-35 Regulations about withholding

- (1) For the purposes of collecting income tax and the other liabilities referred to in section 11-1, the regulations may specify the amounts, formulas and procedures to be used for working out the *amount required to be withheld by an entity from a *withholding payment covered by Division 12 (except one covered by section 12-325).
- (2) The regulations may deal differently with:
 - (a) different payments; and

(b) different circumstances of the recipients of those payments;
and

(c) different periods in respect of which those payments are
made.

This subsection does not limit subsection 33(3A) of the *Acts Interpretation Act 1901*.

income tax or other liability referred to in paragraph 11-1(b)
or (c) taken into account by the entity in working out the
*amount required to be withheld from the payment;

250-1 What this Part is about

This Part deals with the methods by which the Commissioner may collect and recover amounts of taxes and other liabilities.

These rules may affect you if you are liable to pay an amount of a tax-related liability (see, for example, Division 255). Some of the rules may also affect you because of your relationship with someone else who is liable for such an amount (see Division 260).

Table of sections

250-5 Some important concepts about tax-related liabilities

250-10 Summary of tax-related liabilities

250-5 Some important concepts about tax-related liabilities

- (1) A tax-related liability may arise for an entity before it becomes due and payable by that entity.

Example: Under Part 2-5, an entity's liability to pay a withheld amount may arise before the amount is due and payable.

- (2) For some tax-related liabilities, an assessment needs to be made before the amount of the relevant liability becomes due and payable.

Example: Under Division 1 of Part VI of the *Income Tax Assessment Act 1936*, an amount of income tax needs to be assessed before it becomes due and payable.

- (3) An amount of a tax-related liability may become payable by an entity (for example, when the amount has been assessed) before it is due and payable by that entity.

250-10 Summary of tax-related liabilities

- (1) The following table is an index of each tax-related liability under the *Income Tax Assessment Act 1936*. The key provision for the liability, as set out in the table, specifies when the liability becomes due and payable.

Table of Subdivisions

Subdivision 255-A—Tax-related liabilities

Table of sections

- 255-1 Meaning of *tax-related liability*
- 255-5 Recovering a tax-related liability that is due and payable

255-1 Meaning of tax-related liability

A *tax-related liability* is a pecuniary liability to the Commonwealth arising directly under a *taxation law (including a liability the amount of which is not yet due and payable).

Note 1: See section 250-10 for an index of tax-related liabilities.

Note 2: A taxation law, or a provision of it, may be excluded from being applied to this Part. See section 265-65.

255-5 Recovering a tax-related liability that is due and payable

- (1) An amount of a *tax-related liability that is due and payable:
 - (a) is a debt due to the Commonwealth; and
 - (b) is payable to the Commissioner.
- (2) The Commissioner, a Second Commissioner or a Deputy Commissioner may sue in his or her official name in a court of competent jurisdiction to recover an amount of a *tax-related liability that remains unpaid after it has become due and payable.

Note: The tables in section 250-10 set out each provision that specifies when an amount of a tax-related liability becomes due and payable. The Commissioner may vary that time under Subdivision 255-B.

Subdivision 255-B—Commissioner’s power to vary payment time

Table of sections

255-10	To defer the payment time
255-15	To permit payments by instalments
255-20	To bring forward the payment time in certain cases

255-10 To defer the payment time

- (1) The Commissioner may, having regard to the circumstances of your particular case, defer the time at which an amount of a *tax-related liability is, or would become, due and payable by you (whether or not the liability has already arisen). If the Commissioner does so, that time is varied accordingly.

Note: General interest charge or any other relevant penalty, if applicable for any unpaid amount of the liability, will begin to accrue from the time as varied. See, for example, paragraph 204(3)(a) of the *Income Tax Assessment Act 1936*.

- (2) The Commissioner must do so by written notice given to you.

255-15 To permit payments by instalments

- (1) The Commissioner may, having regard to the circumstances of your particular case, permit you to pay an amount of a *tax-related liability by instalments under an *arrangement between you and the Commissioner (whether or not the liability has already arisen).

- (2) The *arrangement does not vary the time at which the amount is due and payable.

Note: Despite an arrangement under this section, any general interest charge or other relevant penalty, if applicable for any unpaid amount of the liability, begins to accrue when the liability is due and payable under the relevant taxation law, or at that time as varied under section 255-10 or 255-20.

255-20 To bring forward the payment time in certain cases

- (1) If the Commissioner reasonably believes that you may leave Australia before the time at which an amount of a *tax-related liability becomes due and payable by you, the Commissioner may

bring that time forward. If the Commissioner does so, that time is varied accordingly.

Note: General interest charge or any other relevant penalty, if applicable for any unpaid amount of the liability, will begin to accrue from the time as varied. See, for example, paragraph 204(3)(a) of the *Income Tax Assessment Act 1936*.

- (2) The Commissioner must do so by written notice given to you.

Operative provisions

255-40 Service of documents if person absent from Australia or cannot be found

- (1) This section applies if a document needs to be served on a person in respect of a proceeding to recover an amount of a *tax-related liability, and the Commissioner, after making reasonable inquiries, is satisfied that:

- (a) the person is absent from Australia and does not have any agent in Australia on whom the document can be served; or
 - (b) the person cannot be found.
- (2) The Commissioner may, without the court's leave, serve the document by posting it, or a sealed copy of it, in a letter addressed to the person at any Australian address of the person (including the person's Australian place of business or residence) that is last known to the Commissioner.

255-45 Evidentiary certificate

- (1) A certificate:
- (a) stating one or more of the matters covered by subsection (2); and
 - (b) signed by the Commissioner, a Second Commissioner or a Deputy Commissioner;
- is prima facie evidence of the matter or matters in a proceeding to recover an amount of a *tax-related liability.
- (2) A certificate may state:
- (a) that a person named in the certificate has a *tax-related liability; or
 - (b) that an *assessment relating to a tax-related liability has been made, or is taken to have been made, under a *taxation law; or
 - (c) that notice of an assessment, or any other notice required to be served on a person in respect of an amount of a tax-related liability, was, or is taken to have been, served on the person under a *taxation law; or
 - (d) that the particulars of a notice covered by paragraph (c) are as stated in the certificate; or
 - (e) that a sum specified in the certificate is, as at the date specified in the certificate, a debt due and payable by a person to the Commonwealth.

255-50 Certain statements or averments

- (1) In a proceeding to recover an amount of a *tax-related liability, a statement or averment about a matter in the plaintiff's complaint, claim or declaration is prima facie evidence of the matter.
- (2) This section applies even if the matter is a mixed question of law and fact. However, the statement or averment is prima facie evidence of the fact only.
- (3) This section applies even if evidence is given in support or rebuttal of the matter or of any other matter.
- (4) Any evidence given in support or rebuttal of the matter stated or averred must be considered on its merits. This section does not increase or diminish the credibility or probative value of the evidence.
- (5) This section does not lessen or affect any onus of proof otherwise falling on a defendant.

255-55 Evidence by affidavit

In a proceeding to recover an amount of a *tax-related liability:

- (a) a person may give evidence by affidavit; and
- (b) the court may require the person to attend before it:
 - (i) to be cross-examined on that evidence; or
 - (ii) to give other evidence relating to the proceedings.

360-1 What this Division is about

An individual can apply to the Commissioner for an oral ruling about a limited range of matters under an income tax law.
--

360-5 Outline of this Division

- (1) The procedure you need to follow in applying for an oral ruling is set out in Subdivision 360-A.
- (2) Before making the ruling, the Commissioner must be satisfied that your tax affairs, and your inquiry, meet certain tests.

See sections 360-65 and 360-100.

- (3) There are further matters that may prevent the Commissioner from making the ruling. Important examples are:
 - (a) during the relevant period you were carrying on a business;
 - (b) during the relevant period you made payments from which you had to withhold amounts under Part 2-5 (PAYG withholding).

See Subdivision 360-C.

- (4) An oral ruling is binding on the Commissioner, but only you can rely on it.

See sections 170BCA, 170BDA, 170BDB and 170BDC of the *Income Tax Assessment Act 1936*.

- (5) You are not bound by an oral ruling.

360-145 Other grounds on which application must or can be refused

- (1) The Commissioner must not comply with your application if:

360-155 Effect on oral ruling if provisions not complied with

- (a) this Division; or
- (b) regulations made for the purposes of this Division.

Note: The fact that gifts to a recipient registered in the Australian Business Register are deductible will be shown in the Register.

(4AB) Subdivision 30-CA sets out administrative rules which do not directly affect whether you can deduct a gift you make. The rules require:

- (a) a receipt issued by an entity for a gift to the entity or to a fund, authority or institution operated by the entity to show the entity's ABN; and
- (b) the Australian Business Registrar to enter in the Australian Business Register a statement in relation to an entity entered in the Register if:
 - (i) gifts to the entity are deductible; or
 - (ii) gifts to a fund, authority or institution operated by the entity are deductible.

(ba) the institution must meet the requirements of section 30-17, unless it is the Australiana Fund; and

30-17 Requirements for certain recipients

- (1) This section sets out requirements to be met for you to be able to deduct a gift you make to a fund, authority or institution described in the column headed “Recipient” of item 1, 2 or 4 of the table in section 30-15. However, this section does not apply to:
 - (a) a fund, authority or institution that is mentioned by name in an item of a table in Subdivision 30-B; or

- (1) The Commissioner may request an applicant to give the Commissioner specified information, or a specified document, the Commissioner needs to decide whether the applicant is entitled to endorsement unless the information or document is given.

Treating application as being refused

- (2) After the time worked out under subsection (3), the applicant may give the Commissioner written notice that the applicant wishes to treat the application as having been refused, if the Commissioner has *not* given the applicant before that time written notice that the Commissioner endorses or refuses to endorse the applicant.

Note: Section 30-140 requires the Commissioner to give the applicant written notice if the Commissioner endorses or refuses to endorse the applicant.

- (3) The time is the end of the 60th day after the application was made. However, if before that time the Commissioner requests the applicant under subsection (1) to give information or a document, the time is the later of the following (or either of them if they are the same):
- (a) the end of the 28th day after the last day on which the applicant gives the Commissioner information or a document he or she has requested;
 - (b) the end of the 60th day after the application was made.

- (4) If the applicant gives notice under subsection (2), section 30-150 operates as if the Commissioner had refused the application on the day on which the notice is given.

Note: Section 30-150 lets the applicant object against refusal of an application in the manner set out in Part IVC of the *Taxation Administration Act 1953*. That Part provides for review of the refusal objected against.

- (5) The notice given by the applicant:
- (a) may be *lodged electronically; and
 - (b) must be signed for the applicant, or include the applicant's *electronic signature if the application is *lodged electronically.

30-140 Notifying outcome of application for endorsement

- (1) The Commissioner must give the applicant written notice if:
- (a) the Commissioner endorses the applicant; or
 - (b) the Commissioner refuses to endorse the applicant.

- (2) The Commissioner may give the notice by way of electronic transmission. This does not limit the ways in which the Commissioner may give the notice.

30-145 Date of effect of endorsement

- (1) The endorsement has effect from a date specified by the Commissioner.
- (2) The date specified may be any date (including a date before the application for endorsement was made and a date before the applicant had an *ABN).

Note: An entity may fail to apply for endorsement by 30 June 2000. The Commissioner may endorse an application by such an entity from 1 July 2000.

30-150 Review of refusal of endorsement

If the applicant is dissatisfied with the Commissioner's refusal to endorse the applicant in accordance with the application, the applicant may object against the refusal in the manner set out in Part IVC of the *Taxation Administration Act 1953*.

Note: That Part provides for review of the refusal objected against.

30-155 Checking entitlement to endorsement

- (1) The Commissioner may request an entity that is endorsed to give the Commissioner information or a document that is relevant to the entity's entitlement to endorsement. The entity must comply with the request.

Note 1: Section 30-125 sets out the conditions for an entity to be entitled to be endorsed.

Note 2: This Act is a taxation law for the purposes of the *Taxation Administration Act 1953*. Failure to comply with this subsection is an offence against section 8C of that Act. Also, the Commissioner may revoke the endorsement of the entity under section 30-170 if it fails to comply with this subsection.

Note 3: Section 30-165 modifies the way this subsection operates in relation to partnerships and unincorporated bodies.

- (2) The request:
 - (a) is to be made by notice in writing to the entity; and

- (b) may ask the entity to give the information in writing; and
- (c) must specify:
 - (i) the information or document the entity is to give; and
 - (ii) the period within which the entity is to give the information or document.

The period specified under subparagraph (c)(ii) must end at least 28 days after the notice is given.

- (3) The Commissioner may give the notice by way of electronic transmission. This does not limit the ways in which the Commissioner may give the notice.
- (4) If the request is for the entity to give information in writing, the document setting out the information:
 - (a) must be given to the Commissioner; and
 - (b) may be *lodged electronically; and
 - (c) must be signed for the entity, or include the entity's *electronic signature if the document is lodged electronically.

30-160 Telling Commissioner of loss of entitlement to endorsement

- (1) Before, or as soon as practicable after, an entity that is endorsed ceases to be entitled to be endorsed, the entity must give the Commissioner written notice of the cessation.

Note 1: Section 30-125 sets out when an entity is entitled to be endorsed.

Note 2: This Act is a taxation law for the purposes of the *Taxation Administration Act 1953*. Failure to comply with this subsection is an offence against section 8C of that Act.

Note 3: Section 30-165 modifies the way this subsection operates in relation to partnerships and unincorporated bodies.

- (2) The notice:
 - (a) may be *lodged electronically; and
 - (b) must be signed for the entity, or include the entity's *electronic signature if the document is lodged electronically.
- (3) Subsection (1) does not apply to an entitlement to endorsement ceasing because the entity ceases to have an *ABN.

30-165 Partnerships and unincorporated bodies

Application to partnerships

- (1) If, apart from this subsection, section 30-155 or 30-160 would impose an obligation on a partnership, the obligation is imposed on each partner, but may be discharged by any of the partners.

Application to unincorporated bodies

- (2) If, apart from this subsection, section 30-155 or 30-160 would impose an obligation on an unincorporated association or body, the obligation is imposed on each member of the committee of management of the association or body, but may be discharged by any of the members of the committee.

Defences for partners and members of committee of management

- (3) In a prosecution of a person for an offence against section 8C of the *Taxation Administration Act 1953* because of subsection (1) or (2), it is a defence if the person proves that the person:
 - (a) did not aid, abet, counsel or procure the act or omission because of which the offence is taken to have been committed; and
 - (b) was not in any way, by act or omission, directly or indirectly, knowingly concerned in, or party to, the act or omission because of which the offence is taken to have been committed.

30-170 Revoking endorsement

- (1) The Commissioner may revoke the endorsement of an entity if:
 - (a) the entity is not entitled to be endorsed; or
 - (b) the Commissioner has requested the entity under section 30-155 to provide information or a document that is relevant to its entitlement to endorsement and the entity has not provided the requested information or document within the time specified in the request; or
 - (c) the entity has contravened Subdivision 30-CA (which requires the entity to ensure that certain things are stated in any receipts it issues for certain gifts).

Note: Section 30-125 sets out the conditions for an entity to be entitled to be endorsed.

- (2) The revocation has effect from a date specified by the Commissioner (which may be a date before the Commissioner decided to revoke the endorsement).
- (3) However, if the Commissioner revokes the endorsement because the entity is not entitled to it, the Commissioner must not specify a date before the date on which the entity first ceased to be entitled.
- (4) The Commissioner must give the entity written notice if the Commissioner revokes its endorsement.
- (5) The Commissioner may give the notice by way of electronic transmission. This does not limit the ways in which the Commissioner may give the notice.

30-175 Review of revocation of endorsement

If the entity is dissatisfied with the revocation of its endorsement, the entity may object against the revocation in the manner set out in Part IVC of the *Taxation Administration Act 1953*.

Note: That Part provides for review of the revocation objected against.

Government entities treated like entities

30-180 How this Subdivision applies to government entities

- (1) The other sections of this Subdivision apply in relation to a *government entity in the same way as they apply in relation to an entity.
- (2) Subparagraph 30-125(2)(b)(i) (as applied by this section) operates as if it referred to the *government entity consisting of persons, one or more of whom controlled the fund (instead of referring to the entity legally owning the fund).
- (3) If, apart from this subsection, section 30-155 or 30-160 (as applied by this section) would impose an obligation on a *government entity:
 - (a) that is an unincorporated association or body; and

(b) for whose management a single person is responsible to persons or bodies outside the government entity; the obligation is imposed on that person.

(4) Subsection (3) has effect despite:

(a) subsection (1); and

(b) subsection 30-165(2) as it applies because of this section.

30-226 What this Subdivision is about

An entity must ensure certain details must appear on a receipt it issues for a gift that:

(a) is made to the entity or a fund, authority or institution it operates; and

(b) is of a kind that the giver can deduct under Subdivision 30-A.

If the entity has an ABN, the Australian Business Registrar must state in the Australian Business Register that the entity is a deductible gift recipient.

[This is the end of the Guide.]

Requirements

30-227 Entities to which this Subdivision applies

- (1) This Subdivision sets out requirements relating to a *deductible gift recipient.
- (2) A ***deductible gift recipient*** is an entity or *government entity that:
 - (a) is a fund, authority or institution described in item 1, 2, 4, 5 or 6 of the table in section 30-15 and is:
 - (i) endorsed under Subdivision 30-BA as a deductible gift recipient; or
 - (ii) mentioned by name in that table or in Subdivision 30-B; or
 - (iii) a *prescribed private fund; or
 - (b) is endorsed as a deductible gift recipient for the operation of a fund, authority or institution described in item 1, 2 or 4 of the table in section 30-15.

30-228 Content of receipt for gift

If a *deductible gift recipient issues a receipt for a gift described in the relevant item of the table in section 30-15 to the fund, authority or institution, the deductible gift recipient must ensure that the receipt states:

- (a) the name of the fund, authority or institution; and
- (b) the *ABN (if any) of the deductible gift recipient; and
- (c) the fact that the receipt is for a gift.

Note: If the deductible gift recipient is endorsed as a deductible gift recipient and it contravenes this section, the Commissioner may revoke its endorsement: see section 30-170.

30-229 Australian Business Register must show deductibility of gifts to deductible gift recipient

- (1) If a *deductible gift recipient has an *ABN, the *Australian Business Registrar must enter in the *Australian Business Register

in relation to the deductible gift recipient a statement that it is a deductible gift recipient for a specified period.

Note 1: An entry (or lack of entry) of a statement required by this section does not affect whether you can deduct a gift to the fund, authority or institution.

Note 2: This section will apply to all entities and government entities that are endorsed as deductible gift recipients under Subdivision 30-BA, because they must have ABNs to be endorsed. It will also apply to other entities described or named in Subdivision 30-A if they have ABNs.

- (2) If the *deductible gift recipient is a deductible gift recipient only because it is endorsed under Subdivision 30-BA as a deductible gift recipient for the operation of a fund, authority or institution, the statement must name the fund, authority or institution.
- (3) The *Australian Business Registrar may remove the statement from the *Australian Business Register after the end of the period.
- (4) The *Australian Business Registrar must take reasonable steps to ensure that a statement appearing in the *Australian Business Register under this section is true. For this purpose, the Registrar may:
 - (a) change the statement; or
 - (b) remove the statement from the Register if the statement is not true; or
 - (c) remove the statement from the Register and enter another statement in the Register under this section.
- (5) Making, changing or removing an entry in the *Australian Business Register as required or permitted by this section does not contravene section 16 of the *Income Tax Assessment Act 1936* (Officers to observe secrecy).

- (2A) When you die, one of the following requirements must be met:

Endorsing charitable entities as exempt from income tax

50-105 Endorsement by Commissioner

The Commissioner must endorse an entity as exempt from income tax if the entity:

- (a) is entitled to be endorsed as exempt from income tax; and
- (b) has applied for endorsement.

50-110 Entitlement to endorsement

General rule

- (1) An entity is entitled to be endorsed as exempt from income tax if the entity meets all the relevant requirements of this section.

Which entities are entitled to be endorsed?

- (2) To be entitled, the entity must be an entity covered by item 1.1, 1.5, 1.5A or 1.5B of the table in section 50-5.

Requirement for ABN

- (3) To be entitled, the entity must have an *ABN.

- (4) However, for a trust:
- (a) covered by item 1.5 of the table in section 50-5 because the trust is covered by paragraph 50-80(1)(d); or
 - (b) covered by item 1.5A of the table in section 50-5 (because the trust is covered by paragraph 50-80(1)(c));
- to be entitled, the existing trust mentioned in paragraph 50-80(1)(a) must have an *ABN.

Requirement to meet special conditions

- (5) To be entitled, either:
- (a) the entity must meet the relevant conditions referred to in the column headed “Special conditions” of whichever of items 1.1, 1.5, 1.5A and 1.5B of the table in section 50-5 covers the entity; or
 - (b) both of the following conditions must be met:
 - (i) the entity must not have carried on any activities as a charitable institution (if the entity is covered by item 1.1 of the table in section 50-5) or for public charitable purposes (if the entity is covered by item 1.5, 1.5A or 1.5B of that table);
 - (ii) there must be reasonable grounds for believing that the entity will meet the relevant conditions referred to in the column headed “Special conditions” of whichever of items 1.1, 1.5, 1.5A or 1.5B of the table in section 50-5 covers the entity.
- (6) To avoid doubt, the condition set out in section 50-52 (requiring the entity to be endorsed under this Subdivision) is not a relevant condition for the purposes of subsection (5).

50-115 Applying for endorsement

- (1) An entity may apply to the Commissioner for endorsement.
- (2) The application:
 - (a) must be in a form approved by the Commissioner; and
 - (b) must be signed for the entity, or include the entity’s *electronic signature if the application is *lodged electronically; and

(c) must be lodged at, or posted to, an office or facility designated by the Commissioner as a receiving centre for applications of that kind; and

(d) may be lodged electronically.

Note: The Commissioner could approve a form that is part of an application form for an ABN.

50-120 Dealing with an application for endorsement

Requesting further information or documents

- (1) The Commissioner may request an applicant to give the Commissioner specified information, or a specified document, the Commissioner needs to decide whether the applicant is entitled to endorsement unless the information or document is given.

Treating application as being refused

- (2) After the time worked out under subsection (3), the applicant may give the Commissioner written notice that the applicant wishes to treat the application as having been refused, if the Commissioner has *not* given the applicant before that time written notice that the Commissioner endorses or refuses to endorse the applicant.

Note: Section 50-125 requires the Commissioner to give the applicant written notice if the Commissioner endorses or refuses to endorse the applicant.

- (3) The time is the end of the 60th day after the application was made. However, if before that time the Commissioner requests the applicant under subsection (1) to give information or a document, the time is the later of the following (or either of them if they are the same):

- (a) the end of the 28th day after the last day on which the applicant gives the Commissioner information or a document he or she has requested;
- (b) the end of the 60th day after the application was made.

- (4) If the applicant gives notice under subsection (2), section 50-135 operates as if the Commissioner had refused the application on the day on which the notice is given.

Note: Section 50-135 lets the applicant object against refusal of an application in the manner set out in Part IVC of the *Taxation*

Administration Act 1953. That Part provides for review of the refusal objected against.

- (5) The notice given by the applicant:
 - (a) may be *lodged electronically; and
 - (b) must be signed for the applicant, or include the applicant's *electronic signature if the application is *lodged electronically.

50-125 Notifying outcome of application for endorsement

- (1) The Commissioner must give the applicant written notice if:
 - (a) the Commissioner endorses the applicant; or
 - (b) the Commissioner refuses to endorse the applicant.
- (2) The Commissioner may give the notice by way of electronic transmission. This does not limit the ways in which the Commissioner may give the notice.

50-130 Date of effect of endorsement

- (1) The endorsement has effect from a date specified by the Commissioner.
- (2) The date specified may be any date (including a date before the application for endorsement was made and a date before the applicant had an *ABN).

Note: An entity may fail to apply for endorsement by 30 June 2000. The Commissioner may endorse an application by such an entity from 1 July 2000.

50-135 Review of refusal of endorsement

If the applicant is dissatisfied with the Commissioner's refusal to endorse the applicant in accordance with the application, the applicant may object against the refusal in the manner set out in Part IVC of the *Taxation Administration Act 1953*.

Note: That Part provides for review of the refusal objected against.

50-140 Checking entitlement to endorsement

- (1) The Commissioner may request an entity that is endorsed as exempt from income tax to give the Commissioner information or a document that is relevant to the entity's entitlement to endorsement. The entity must comply with the request.

Note 1: Section 50-110 sets out the conditions for an entity to be entitled to be endorsed.

Note 2: This Act is a taxation law for the purposes of the *Taxation Administration Act 1953*. Failure to comply with this subsection is an offence against section 8C of that Act. Also, the Commissioner may revoke the endorsement of the entity under section 50-155 if it fails to comply with this subsection.

Note 3: Section 50-150 modifies the way this subsection operates in relation to partnerships and unincorporated bodies.

- (2) The request:
- (a) is to be made by notice in writing to the entity; and
 - (b) may ask the entity to give the information in writing; and
 - (c) must specify:
 - (i) the information or document the entity is to give; and
 - (ii) the period within which the entity is to give the information or document.

The period specified under subparagraph (c)(ii) must end at least 28 days after the notice is given.

- (3) The Commissioner may give the notice by way of electronic transmission. This does not limit the ways in which the Commissioner may give the notice.
- (4) If the request is for the entity to give information in writing, the document setting out the information:
- (a) must be given to the Commissioner; and
 - (b) may be *lodged electronically; and
 - (c) must be signed for the entity, or include the entity's *electronic signature if the document is lodged electronically.

50-145 Telling Commissioner of loss of entitlement to endorsement

- (1) Before, or as soon as practicable after, an entity that is endorsed as exempt from income tax ceases to be entitled to be endorsed, the entity must give the Commissioner written notice of the cessation.

Note 1: An entity ceases to be entitled to endorsement if it ceases to be covered by item 1.1, 1.5, 1.5A or 1.5B of the table in section 50-5 or ceases to meet the special conditions identified in the item that covers it: see section 50-110.

Note 2: This Act is a taxation law for the purposes of the *Taxation Administration Act 1953*. Failure to comply with this subsection is an offence against section 8C of that Act.

Note 3: Section 50-150 modifies the way this subsection operates in relation to partnerships and unincorporated bodies.

- (2) The notice:
 - (a) may be *lodged electronically; and
 - (b) must be signed for the entity, or include the entity's *electronic signature if the document is lodged electronically.
- (3) Subsection (1) does not apply to an entitlement to endorsement ceasing because the entity ceases to have an *ABN.

50-150 Partnerships and unincorporated bodies

Application to partnerships

- (1) If, apart from this subsection, section 50-140 or 50-145 would impose an obligation on a partnership, the obligation is imposed on each partner, but may be discharged by any of the partners.

Application to unincorporated bodies

- (2) If, apart from this subsection, section 50-140 or 50-145 would impose an obligation on an unincorporated association or body, the obligation is imposed on each member of the committee of management of the association or body, but may be discharged by any of the members of the committee.

Defences for partners and members of committee of management

- (3) In a prosecution of a person for an offence against section 8C of the *Taxation Administration Act 1953* because of subsection (1) or (2), it is a defence if the person proves that the person:
- (a) did not aid, abet, counsel or procure the act or omission because of which the offence is taken to have been committed; and
 - (b) was not in any way, by act or omission, directly or indirectly, knowingly concerned in, or party to, the act or omission because of which the offence is taken to have been committed.

50-155 Revoking endorsement

- (1) The Commissioner may revoke the endorsement of an entity as exempt from income tax if:
- (a) the entity is not entitled to be endorsed as exempt from income tax; or
 - (b) the Commissioner has requested the entity under section 50-140 to provide information or a document that is relevant to its entitlement to endorsement and the entity has not provided the requested information or document within the time specified in the request.

Note: Section 50-110 sets out the conditions for an entity to be entitled to be endorsed.

- (2) The revocation has effect from a day specified by the Commissioner (which may be a day before the Commissioner decided to revoke the endorsement).
- (3) However, if the Commissioner revokes the endorsement because the entity is not entitled to it, the Commissioner must not specify a day before the day on which the entity first ceased to be entitled.
- (4) The Commissioner must give the entity written notice if the Commissioner revokes its endorsement.
- (5) The Commissioner may give the notice by way of electronic transmission. This does not limit the ways in which the Commissioner may give the notice.

50-160 Review of revocation of endorsement

 - (a) started at the beginning of the day by which the instalment for the later quarter was due to be paid; and

Subdivision 45-M—How amount of quarterly instalment is worked out on basis of your estimate of your benchmark tax

Table of sections

45-410	Working out amount of instalment
45-415	Estimating your benchmark tax
45-420	Credit in certain cases where amount of instalment is nil

45-410 Working out amount of instalment

- (1) For the purposes of paragraph 45-112(1)(b) or (c), the amount of your instalment for an *instalment quarter in an income year is:
- (a) the amount worked out, in accordance with this section, on the basis of the estimate of your *benchmark tax for that income year that section 45-415 requires to be used, if that amount is positive; or
 - (b) otherwise—nil.

Note: If the amount is negative, you can claim a credit under section 45-420.

First instalment quarter

- (2) If the *instalment quarter is the first in that income year for which you are liable to pay an instalment, the amount is 25% of the estimate of your *benchmark tax.

Second instalment quarter

- (3) If the *instalment quarter is the second in that income year for which you are liable to pay an instalment, the amount is worked out by subtracting:
- the amount of your instalment under section 45-112 for the earlier *instalment quarter in that income year;
- from:
- 50% of the estimate of your *benchmark tax.

Third instalment quarter

- (4) If the *instalment quarter is the third in that income year for which you are liable to pay an instalment, the amount is worked out using this method statement.

Method statement

- Step 1.* The total of your instalments under section 45-112 for earlier *instalment quarters in that income year is subtracted from 75% of the estimate of your *benchmark tax.
- Step 2.* If you were entitled to claim a credit under section 45-420 for the second of those earlier *instalment quarters, the amount of the credit is added to the step 1 amount.

Fourth instalment quarter

- (5) If the *instalment quarter is the fourth in that income year for which you are liable to pay an instalment, the amount is worked out using this method statement.

Method statement

- Step 1.* The total of your instalments under section 45-112 for earlier *instalment quarters in that income year is subtracted from the estimate of your *benchmark tax.
- Step 2.* For each credit that you were entitled to claim under section 45-420 for any of those earlier *instalment quarters, the amount of the credit is added to the step 1 amount.

45-415 Estimating your benchmark tax

- (1) If you choose under paragraph 45-112(1)(b) to work out the amount of your instalment for an *instalment quarter in an income year on the basis of your estimate of your *benchmark tax for that

income year, you must make the estimate on or before the day on which the instalment is due (disregarding subsection 45-112(3)).

- (2) Having done so, you must use that estimate to work out the amount of that instalment. (You cannot later make another estimate for working out that amount.)

Note: If your estimate leads you to pay an instalment that is too low, you may be liable to general interest charge under section 45-232.

- (3) The Commissioner must also use that estimate to work out under this Subdivision the amount of each instalment:

- (a) that you are liable to pay for a later *instalment quarter in that income year; and
(b) whose amount he or she must notify to you under paragraph 45-112(1)(c);

unless a later application of this subsection requires him or her to use a later estimate you make under subsection (1) of this section.

Note: This means that if an estimate you have made is not appropriate for a later instalment quarter in the same income year, you should choose under paragraph 45-112(1)(b) to work out the amount of your instalment for that later quarter on the basis of a new estimate under this section. If the instalment that the Commissioner works out on the basis of the earlier estimate is too low, you may be liable to general interest charge under section 45-232.

45-420 Credit in certain cases where amount of instalment is nil

- (1) You are entitled to claim a credit if the amount of your instalment for an *instalment quarter (the *current quarter*) in an income year is nil because the amount worked out for the current quarter in accordance with section 45-410 is negative. The amount of the credit is equal to that amount, expressed as a positive amount.
- (2) A claim for a credit must be made in the *approved form on or before the day on which the instalment for the current quarter is due.

Note: How the credit is applied is set out in Division 3 of Part IIB.
