Insert:

*re-mail reporter* means a person or partnership that is registered under Subdivision E as a re-mail reporter.

## 3 After subsection 64AB(3D)

Insert:

- (3E) The form or statement approved under subsection (4) or (5) for a report by a re-mail reporter in relation to re-mail items must not require the reporter to include information relating to the items at a level of specificity below the level of a submaster air waybill or an ocean bill of lading, as the case requires.

Note: This means that a re-mail reporter using the approved form or statement does not have to give information about individual re-mail items.

- (3F) However, a re-mail reporter must not use that approved form or statement for a re-mail item for which the reporter has information below that level of specificity.

Note: A re-mail reporter who does not use the approved form or statement for re-mail items must provide information about individual re-mail items in a cargo report.
