- (5) The Minister must, in specifying under subsection (3) that an amount is to be taken, for the purposes of this section, to have been debited from the Account in relation to a specified Land Council, ensure that the aggregate of that amount and the amount or amounts (if any) specified in a previous direction or previous directions under subsection (1) in relation to that Land Council does not exceed the total of the amounts paid by the Commonwealth, after 30 June 1978, to that Land Council for the purpose of meeting the administrative costs of that Land Council.
- (6) An amount that is to be taken for the purposes of this section to have been debited from the Account in respect of a particular Land Council must nonetheless be taken into account for the purposes of subsection 64(1) as if it had been debited from the Account and paid by the Commonwealth in accordance with that subsection to the Land Council.
