- (a) the assessment was made before the commencement of this section; and
- (b) the amendment is made within 4 years after that commencement; and
- (c) the amendment is made for the purpose of giving effect to Schedule 1.

Schedule 1—Effective life provisions

Income Tax Assessment Act 1997

1 Subsection 40-95(7) (table items 11, 12 and 13)

Repeal the items.

2 Subsection 40-95(8)

After “*IRU”, insert “or a *mining, quarrying or prospecting right”.

3 At the end of section 40-95

Add:

Exception: mining, quarrying or prospecting rights

- (10) The *effective life* of a *mining, quarrying or prospecting right is the period you work out yourself by estimating the period (in years, including fractions of years) set out in column 3 of this table:

Item	For this asset:	Estimate the period until the end of:
1	A *mining, quarrying or prospecting right relating to *mining operations (except obtaining *petroleum or quarry materials)	The life of the mine or proposed mine to which the right relates or, if there is more than one, the life of the mine that has the longest estimated life
2	A *mining, quarrying or prospecting right relating to *mining operations to obtain *petroleum	The life of the petroleum field or proposed petroleum field to which the right relates
3	A *mining, quarrying or prospecting right relating to *mining operations to obtain quarry materials	The life of the quarry or proposed quarry to which the right relates or, if there is more than one, the life of the quarry that has the longest estimated life

- (11) You work out the period in subsection (10):
-

- (a) as from the *start time of the *mining, quarrying or prospecting right; and
- (b) by reference only to the period of time over which the reserves, reasonably estimated using an appropriate accepted industry practice, are expected to be extracted from the mine, petroleum field or quarry.

4 Subsection 40-105(4)

Repeal the subsection, substitute:

- (4) This section does not apply to the following intangible *depreciating assets:
 - (a) assets to which an item in the table in subsection 40-95(7) applies;
 - (b) *mining, quarrying or prospecting rights.

5 After subsection 40-110(3)

Insert:

- (3A) Subsections (1), (2) and (3) do not apply to a *depreciating asset that is a *mining, quarrying or prospecting right.
- (3B) You may choose to recalculate the *effective life of a *mining, quarrying or prospecting right from a later income year if the effective life you have been using is no longer accurate because of changed circumstances relating to an existing or proposed mine, petroleum field or quarry to which that right relates.

6 Subsection 40-110(4)

Repeal the subsection, substitute:

- (4) A recalculation under this section must be done using:
 - (a) if paragraph (b) does not apply—section 40-105 (about self-assessing effective life); or
 - (b) if the *depreciating asset is a *mining, quarrying or prospecting right—subsections 40-95(10) and (11).

7 Application

The amendments made by this Schedule apply to assessments for the income year in which 1 July 2001 occurred and later income years.

Schedule 2—Taxation of boating activities

Part 1—Main amendments

Income Tax Assessment Act 1997

1 After section 26-45

Insert:

26-47 Non-business boating activities

Object

- (1) The object of this section is to improve the integrity of the taxation system by preventing deductions from boating activities that are not carried on as a *business being offset against other assessable income.

Rule

- (2) This Act applies to you as if so much of the amounts relating to using or *holding boats that you could otherwise deduct for an income year as exceeds your assessable income from using or holding boats for that year:
 - (a) were not deductible for that income year; and
 - (b) were an amount (a *quarantined amount*) relating to using or holding boats that you can deduct for the next income year.

Note: A quarantined amount may be reduced under subsection (5) (for boat capital gains), reduced under subsection (7) (where you deduct part of a quarantined amount under subsection (6) for boat business profits), reduced under subsection (8) (about exempt income) or affected by subsection (10) (about bankruptcy).

Example: Ian does not use his boat in a business. In Year 1, Ian would be able to claim \$100,000 in deductions for the boat (but for this subsection), including interest, depreciation and running costs. He earns only \$40,000 of income from the boat. He can only deduct \$40,000. He carries the remaining \$60,000 forward to Year 2 (the quarantined amount).

In Year 2, Ian has \$95,000 of expenses and \$30,000 of income for the boat. He can deduct \$30,000. The quarantined amount is now \$125,000: the quarantined amount from Year 1 plus the excess of expenses over income from Year 2.

In Year 3, Ian has \$60,000 of expenses and \$150,000 of income from the boat. The expenses from Year 3 plus the quarantined amount is \$185,000. Therefore, Ian claims a deduction of \$150,000 and carries forward \$35,000 to Year 4.

Exception: business use

- (3) The rule in subsection (2) does not apply to amounts that are attributable to one or more of the following:
- (a) *holding a boat as your *trading stock;
 - (b) using a boat (or holding it) mainly for letting it on hire in the ordinary course of a *business that you *carry on;
 - (c) using a boat (or holding it) mainly for transporting the public or goods for payment in the ordinary course of a business that you carry on;
 - (d) using a boat for a purpose that is essential to the efficient conduct of a business that you carry on.

Note: Even if this exception applies to you, you may still have to quarantine losses under Division 35 (deferral of losses from non-commercial business activities).

Exception: fringe benefits

- (4) The rule in subsection (2) does not apply to so much of an amount you incur in *providing a *fringe benefit.

Modification if you have boat capital gains

- (5) You reduce a quarantined amount you have for an income year by so much of that amount as is applied under section 118-80 to reduce a *capital gain you have for the year in relation to a boat. You make this reduction before you deduct an amount under subsection (6).

Deduction if you have boat business profits

- (6) You can deduct all or part of your remaining quarantined amount for an income year if your assessable income for the year from activities of a kind referred to in subsection (3) exceeds your deductions for the year relating to those activities. The amount you can deduct is the lesser of that excess and that remaining quarantined amount.

- (7) You reduce your quarantined amount for the year by the amount you deduct. You make this reduction before a reduction under subsection (8).

Modification if you have exempt income

- (8) You reduce any remaining quarantined amount you have for an income year by so much of your *net exempt income as is not applied for that income year under section 35-15 (about non-commercial business activities) or section 36-10 or 36-15 (about tax losses).

Modification if you become bankrupt

- (9) The modification in subsection (10) has effect if:
- (a) in an income year (the **current year**) you become bankrupt or are released from a debt by the operation of an Act relating to bankruptcy; or
 - (b) you became bankrupt before the current year and:
 - (i) the bankruptcy is annulled in the current year under section 74 of the *Bankruptcy Act 1966* because your creditors have accepted a proposal for a composition or scheme of arrangement; and
 - (ii) under the composition or scheme of arrangement, you have been, will be or may be released from some or all of the debts from which you would have been released if you had instead been discharged from the bankruptcy.
- (10) This Act applies to you as if any amount that:
- (a) is a quarantined amount for you for the current year or was a quarantined amount for you for an earlier year; and
 - (b) has not been applied under section 118-80 and that you have not yet deducted;
- were not an amount relating to using or holding boats that you can deduct for the current year or a later year.

2 At the end of section 110-38

Add:

- (5) Expenditure does *not* form part of any element of the **cost base** to the extent that section 26-47 prevents it being deducted.

Note: Section 26-47 denies deductions for the excess of boat expenditure over boat income.

3 After subsection 110-55(9D)

Insert:

(9E) Expenditure does *not* form part of the *reduced cost base* to the extent that section 26-47 prevents it being deducted.

Note: Section 26-47 denies deductions for the excess of boat expenditure over boat income.

4 At the end of Subdivision 118-A

Add:

Boat capital gains

118-80 Reduction of boat capital gain

A *capital gain you make from a *CGT event happening in relation to a boat for an income year is reduced by an amount that is a quarantined amount for you for the income year under subsection 26-47(2).

Note: Section 26-47 denies deductions for the excess of boat expenditure over boat income.

118-427 Meaning of *eligible venture capital investment*—investments in unit trusts

Requirements for an eligible venture capital investment

(1) An investment is an *eligible venture capital investment* if:

- (a) it is *at risk; and
- (b) it is either:
 - (i) an acquisition of units in a unit trust; or
 - (ii) an acquisition of options (including warrants) originally issued by or on behalf of the trustee of a unit trust to acquire units in the unit trust; or
 - (iii) an acquisition of *convertible notes (other than convertible notes that are *debt interests) issued by or on behalf of the trustee of a unit trust; and
- (c) the unit trust meets the requirements of subsections (3) to (8); and
- (d) the sum of:
 - (i) the total amount that the partnership has invested in all the *equity interests and *debt interests that the partnership owns in the unit trust; and
 - (ii) the total amount that the partnership has invested in all the equity interests and debt interests that the partnership owns in any entities that are *connected entities of the unit trust;

does not exceed 30% of the partnership's *committed capital.

Certain entities not treated as connected entities

(2) In applying subparagraph (1)(d)(ii), ignore an entity that is a *connected entity of the unit trust only because it is an *associate of

the unit trust because of an investment made in the entity by the partnership.

Location within Australia

- (3) The unit trust:
- (a) must, at the time the investment is made, carry on *business in Australia; and
 - (b) must, at that time, meet at least one of the following requirements:
 - (i) the central management and control of the unit trust is in Australia;
 - (ii) more than 50% of the beneficial interests in the income of the unit trust are held by Australian residents;
 - (iii) more than 50% of the beneficial interests in the property of the unit trust are held by Australian residents; and
 - (c) if at that time the entity making the investment does not own any other investments in the unit trust—must meet the following requirements:
 - (i) more than 50% of the people who are currently engaged by the trustee of the unit trust to perform services must perform those services primarily in Australia;
 - (ii) more than 50% of its assets (determined by value) must be situated in Australia;
- during the whole of the period of 12 months, or such shorter period as the *Venture Capital Registration Board determines under section 25-5 of the *Venture Capital Act 2002*, starting from the time the investment is made.

However, subparagraph (c)(i) or (ii) does not apply to the unit trust if the Venture Capital Registration Board so determines under section 25-10 of the *Venture Capital Act 2002*.

Note: A company that fails to meet the requirements of this subsection can still be eligible in certain circumstances: see subsection (13).

Predominant activity

- (4) The unit trust must satisfy at least 2 of these requirements:
- (a) more than 75% of the unit trust's assets (determined by value) must be used primarily in activities that are not ineligible activities mentioned in subsection (14);

Schedule 8 Venture capital

Part 1 Venture capital limited partnerships

- (b) more than 75% of the employees of the trustee of the unit trust must be engaged primarily in activities that are not ineligible activities mentioned in subsection (14);
- (c) more than 75% of the unit trust's total assessable income, *exempt income and *non-assessable non-exempt income must come from activities that are not ineligible activities mentioned in subsection (14).

Note 1: This requirement is ongoing. It is not limited to the circumstances at the time the investment was made.

Note 2: See subsection (11) for the value of assets.

Note 3: A unit trust that fails to meet at least 2 of the requirements can still be eligible if the Venture Capital Registration Board determines that the unit trust's primary activity is not ineligible and the failure is temporary: see subsection (15).

Investment in other entities etc.

- (5) The unit trust must not:
 - (a) invest, in another entity, any part of the amount invested, unless the other entity:
 - (i) is *connected with the unit trust (except another entity that is an *associate of the unit trust because of an investment made in the entity by the partnership); and
 - (ii) meets the requirements of subsections (4) to (8); or
 - (b) in the capacity of a trustee, use any part of the amount invested.

However, this subsection does not prevent the unit trust from depositing money with an *ADI, or with a body authorised by or under a law of a foreign country to carry on banking business in that country.

Note: This requirement is ongoing. It is not limited to the circumstances at the time the investment was made.

Registered auditor

- (6) The unit trust must, at the end of, and at all times after the end of, the income year in which the investment is made, have as its auditor:
 - (a) a person registered as an auditor under a law in force in a State or a Territory; or

- (b) if the unit trust is no longer an Australian resident—a person registered as an auditor under a law in force in the country of which the unit trust is a resident.

Note: This requirement is ongoing.

Permitted entity value

- (7) The unit trust must not, immediately before the investment is made, exceed the *permitted entity value.

Listing

- (8) The unit trust must be a unit trust whose units:
 - (a) are, at the time the investment is made, not listed for quotation in the official list of a stock exchange in Australia or a foreign country; or
 - (b) are so listed at that time, but cease to be so listed at any time during the 12 months after the investment is made.

However, the unit trust is taken to meet the requirements of this subsection in relation to any investment made by an *ESVCLP (whether or not units in the unit trust are so listed).

Note: The additional requirements for ESVCLPs deal with listing in relation to initial investments by ESVCLPs in unit trusts: see paragraph 118-428(1)(a).

Scrip for scrip investments

- (9) However, a unit trust is taken to meet the requirements of subsections (3) to (8) if:
 - (a) the investment is an acquisition of units in that unit trust in exchange for units in another unit trust; and
 - (b) at the time that the *VCLP, *ESVCLP, *AFOF or *eligible venture capital investor in question acquired the units being exchanged, the other unit trust meets the requirements of subsections (3) to (8), but not only because this subsection applies to the other unit trust; and
 - (c) the units in the other unit trust that are being exchanged are all of the units in the other unit trust that the entity making the investment owned at the time of the exchange.

Debt interests

- (10) To avoid doubt, a *debt interest cannot be an *eligible venture capital investment.

The value of an asset or investment

- (11) The value of an asset or investment of an entity at a particular time for the purposes of this section is the value of the asset or investment as shown in a statement, prepared in accordance with the *accounting standards and audited by the entity's auditor, showing that value as at a time no longer than 12 months before that time.

Application to groups

- (12) If a group of entities:
- (a) is treated as a *consolidated group because of a choice that a unit trust has made under section 713-130; or
 - (b) would be treated as a consolidated group because of such a choice:
 - (i) if a unit trust were to make such a choice; or
 - (ii) if a unit trust that is not a *corporate unit trust or a *public trading trust were such a trust and were to make such a choice;

this section applies in relation to the entities as if:

- (c) the unit trust carried on, as the *head company of the consolidated group or consolidatable group, all of the activities that are carried on by the other members of the group; and
- (d) the assets, employees and income of the other members of the group were assets, employees and income of the unit trust; and
- (e) each of the other members of the group were parts of the unit trust rather than separate entities.

Exception to requirements relating to location within Australia

- (13) A unit trust is taken to meet the requirements of subsection (3) in relation to an investment made by an entity if the sum of:
- (a) the value of the investment at the time the entity makes it;
- and

- (b) the total value of all the other investments that the entity owns at that time that do not, or apart from this subsection would not, meet those requirements;
- does not exceed 20% of the partnership's *committed capital.

Note: See subsection (11) for the value of investments.

Ineligible activities

- (14) These activities are ineligible activities:
 - (a) property development or land ownership;
 - (b) finance, to the extent that it is any of the following:
 - (i) banking;
 - (ii) providing capital to others;
 - (iii) leasing;

 - (e) making investments, whether made directly or indirectly, that are directed to deriving income in the nature of interest, rents, dividends, royalties or lease payments.

For the purposes of this subsection, activities that are ancillary or incidental to a particular activity are taken to form part of that activity.

Venture Capital Registration Board discretion

- (15) A unit trust is taken to meet the requirements of subsection (4) even if it fails to satisfy at least 2 of the requirements in that subsection if the *Venture Capital Registration Board determines under section 25-15 of the *Venture Capital Act 2002* that:
 - (a) the unit trust's primary activity is not an ineligible activity mentioned in subsection (14); and
 - (b) the failure is temporary and did not exist at the time the investment referred to in subsection (1) was made and, if it has been disposed of, when it was disposed of.

Convertible notes

- (16) To the extent that an investment by an entity consists of the acquisition of a unit in a unit trust by converting a *convertible note issued by or on behalf of the trustee of the unit trust, the investment is, for the purpose of determining whether the unit trust meets the requirements of subsections (3) to (8), taken to have been made at the time when the entity last acquired the convertible note.

 - (a) you are a partner in a *limited partnership; and
 - (b) the CGT event relates to an investment that the partnership made that:

Note: The registration requirements of an ESVCLP are set out in section 9-3 of the *Venture Capital Act 2002*. It is important to understand that this is a separate requirement from registration under Part 2 of that Act (which effectively determines whether an entity is an ESVCLP).

It is technically possible to be registered under Part 2 of that Act without meeting the registration requirements of an ESVCLP, but you might still not be entitled to exemption under this section.

Residency requirements for general partners

- (2) However, if you are a *general partner in the partnership, subsection (1) does not apply to you unless you are:
- (a) an Australian resident; or
 - (b) a resident of a foreign country in respect of which a double tax agreement (as defined in Part X of the *Income Tax Assessment Act 1936*) is in force that is an agreement of a kind referred to in subparagraph (b)(i), (ia), (ii), (iii), (iv) or (v) of that definition.
- (3) For the purposes of this section, the place of residence of a *general partner in a *limited partnership:
- (a) that is a company or limited partnership; and
 - (b) that is not an Australian resident;
- is the place in which the general partner has its central management and control.

Meaning of early stage venture capital limited partnership

- (4) A *limited partnership is an ***early stage venture capital limited partnership*** at a particular time if, at that time, the partnership's registration as an early stage venture capital limited partnership under Part 2 of the *Venture Capital Act 2002* is, or is taken to have been, in force.

Note 1: For when the registration is, or is taken to have been, in force, see section 13-10 of the *Venture Capital Act 2002*.

Note 2: In this Act and the *Venture Capital Act 2002*, the term "early stage venture capital limited partnership" is usually abbreviated to "ESVCLP".

Temporary exemption from meeting the divestiture registration requirement

- (5) A partnership is treated, for the purposes of subsection (1), as never having failed, during a particular income year of the partnership, to meet the *divestiture registration requirement in relation to a particular investment that the partnership holds, if:
- (a) at the start of the income year, the partnership fails to meet the divestiture registration requirement in relation to that investment; and
 - (b) the partnership meets the divestiture registration requirement in relation to that investment:
 - (i) within the period of 6 months after the start of that income year; or
 - (ii) if that period is extended under subsection 17-3(3) of the *Venture Capital Act 2002*—within that period as so extended.

Effect of converting convertible notes etc.

- (6) A partnership that acquired a *share in a company by converting a *convertible note, or a convertible preference share, issued by the company is treated, for the purposes of subparagraph (1)(d)(ii), as having owned the share from the time when it last acquired the convertible note or convertible preference share.
- (7) A partnership that acquired a unit in a unit trust by converting a *convertible note issued by the trustee of the unit trust is treated, for the purposes of subparagraph (1)(d)(ii), as having owned the unit from the time when it last acquired the convertible note.
- (8) Subsection (6) or (7) applies whether or not the acquisition of the *convertible note, or convertible preference share, was an *eligible venture capital investment.
- (9) A partnership that converts a *convertible note into a share or a unit is treated, for the purposes of subparagraph (1)(d)(ii), as continuing to own the convertible note until the partnership no longer owns the share or unit.

- (j) any additional matters specified in guidelines made under subsection (2).
- (2) The *Venture Capital Registration Board may, by legislative instrument, make guidelines specifying additional matters that it must take into account in deciding, for the purposes of paragraph 13-1(1A)(c) or subsection 13-15(5), whether it is satisfied that:
