Division 58—Representatives of incapacitated entities

58-1 What this Division is about

This Division sets out how to ascribe activities of a representative of an incapacitated entity between the representative and the incapacitated entity for GST purposes.

In particular, supplies, acquisitions and importations, and associated acts and omissions, by the representative are, in most cases, treated as having been by the incapacitated entity. This ensures that a transaction by the representative has the same consequences under the GST law as if the incapacitated entity had no representative.

However, in most cases, GST-related liabilities and entitlements are allocated to the representative for transactions that are within the scope of the representative's responsibility or authority.

58-5 General principle for the relationship between incapacitated entities and their representatives

- (1) Subject to this Division, any supply, acquisition or importation by an entity in the capacity of a *representative of another entity that is an *incapacitated entity is taken to be a supply, acquisition or importation by the other entity.
- (2) Subject to this Division, any other act, or any omission, of an entity in the capacity of a *representative of another entity that is an *incapacitated entity is taken to be an act or omission of the other entity, but only for the purposes of determining, for the purposes of the *GST law:
 - (a) whether a supply or importation is a *taxable supply or *taxable importation, or the amount of GST payable on the supply or importation; or
 - (b) whether an acquisition or importation is a *creditable acquisition or *creditable importation, or the amount of the input tax credit for the acquisition or importation; or

- (c) whether an *adjustment arises in relation to a supply, acquisition or importation, or the amount of such an adjustment.
- (3) To avoid doubt, if the other entity ceases to be an *incapacitated entity, this section continues to apply in relation to the supply, acquisition or importation, or to the act or omission, after the other entity ceases to be an incapacitated entity.
- (4) To avoid doubt, to the extent that an act or omission referred to in subsection (2) relates to deciding to *account on a cash basis, that subsection does not apply for the purposes of determining, for the purposes of the *GST law, whether an *adjustment arises under Division 21 in relation to a supply or acquisition.

58-10 Circumstances in which representatives have GST-related liabilities and entitlements

General rule

- (1) A *representative of an *incapacitated entity:
 - (a) is liable to pay any GST that the incapacitated entity would, but for this section or section 48-40, be liable to pay on a *taxable supply or a *taxable importation; and
 - (b) is entitled to any input tax credit that the incapacitated entity would, but for this section or section 48-45, be entitled to for a *creditable acquisition or a *creditable importation; and
 - (c) has any *adjustment that the incapacitated entity would, but for this section or section 48-50, have;to the extent that the making of the supply, importation or acquisition to which the GST, input tax credit or adjustment relates is within the scope of the representative's responsibility or authority for managing the incapacitated entity's affairs.

Exceptions for certain taxable supplies

- (2) This section does not apply to the GST payable on a *taxable supply to the extent that one or more of the following apply:
 - (a) the *incapacitated entity received the *consideration for the supply before the *representative became a representative of the incapacitated entity;

- (b) if, under Division 83 or 84, the GST is payable by the recipient of the supply—the incapacitated entity provided the consideration for the supply before the representative became a representative of the incapacitated entity;
- (c) if:
 - (i) the supply is a supply for which a *voucher to which Division 100 applies is redeemed; and
 - (ii) the incapacitated entity supplied the voucher before the representative became a representative of the incapacitated entity;the consideration for the supply referred to in subparagraph (i) does not exceed the consideration provided for the incapacitated entity's supply of the voucher.

Exception for certain creditable acquisitions

- (3) This section does not apply to an input tax credit for a *creditable acquisition to the extent that the *incapacitated entity provided the *consideration for the acquisition before the *representative became a representative of the incapacitated entity.

Exceptions for certain adjustments

- (4) This section does not apply to an *adjustment to the extent that one or more of the following apply:
 - (a) if the adjustment relates to a supply—the *incapacitated entity received the *consideration for the supply before the *representative became a representative of the incapacitated entity;
 - (b) if the adjustment relates to an acquisition—the incapacitated entity provided the consideration for the supply before the representative became a representative of the incapacitated entity;
 - (c) the adjustment would not be attributable to a tax period applying to the representative in the capacity of a representative of the incapacitated entity.

Incapacitated entity not liable to pay GST etc.

- (5) An *incapacitated entity or, if the incapacitated entity is a *member of a *GST group, the *representative member of that group:

- (a) is not liable to pay the GST on a *taxable supply or a *taxable importation to the extent that a *representative of the incapacitated entity is liable under this section to pay the GST on the supply or importation; and
- (b) is not entitled to the input tax credit for a *creditable acquisition or a *creditable importation to the extent that a representative of the incapacitated entity is entitled under this section to the input tax credit for the acquisition or importation; and
- (c) does not have an *adjustment to the extent that a representative of the incapacitated entity has the adjustment under this section.

Other

- (6) This section has effect despite sections 9-40, 11-20, 13-15, 15-15, 83-5 and 84-10 and subsections 48-40(1), 48-45(1) and 48-50(1) (which are about who is liable for GST, and who is entitled to input tax credits).

58-15 Adjustments for bad debts

- (1) For the purposes of determining whether an *adjustment arises under section 21-5 or 21-15 for the whole or a part of a debt relating to a *taxable supply or *creditable acquisition for which a *representative of an *incapacitated entity is liable to pay GST, or is entitled to an input tax credit, under section 58-10:
 - (a) the adjustment cannot arise if, when the whole or part of the debt is written off, or has been *overdue for 12 months, the representative *accounts on a cash basis; but
 - (b) it does not matter whether the incapacitated entity accounts on a cash basis at that or any other time.
- (2) This section has effect despite subsections 21-5(2) and 21-15(2) (which preclude adjustments for bad debts when accounting on a cash basis).

58-40 Effect on attribution rules of not accounting on a cash basis

- (1) If:
 - (a) a *representative of an *incapacitated entity does not *account on a cash basis; and

(b) because of section 58-10, all or part of the amount of GST payable on a *taxable supply is payable by the representative, or the representative is entitled to all or part of the input tax credit for a *creditable acquisition;

then, to the extent that, but for this section, the GST or input tax credit would be attributable to a tax period that ended before the representative became a representative of the incapacitated entity, the GST or input tax credit is instead attributable to the first tax period applying to the representative in that capacity.

(2) This section has effect despite sections 29-5 and 29-10 (which are about attribution of GST on taxable supplies and of input tax credits for creditable acquisitions).

9 Section 147-20 (heading)

Repeal the heading, substitute:

147-20 Effect of representative failing to notify the Commissioner of certain adjustments

10 Subsection 147-20(1)

Repeal the subsection, substitute:

(1) If:

- (a) an *increasing adjustment relates to a supply, acquisition or importation that an *incapacitated entity made before a *representative of the incapacitated entity was appointed; and
- (b) the adjustment arises after that appointment; and
- (c) the representative fails to give the Commissioner written notice that:
 - (i) states that the adjustment has arisen in these circumstances; and
 - (ii) specifies the amount of the adjustment;

the adjustment is to be treated as if:

- (d) the representative had the adjustment; and
- (e) the incapacitated entity did not have the adjustment.

16 Subsection 27-40(1)

Repeal the subsection, substitute:

- (1) If:
 - (a) an individual dies; or

21 After subsection 48-70(1)

Insert:

- (1A) The Commissioner must revoke the approval of one of the *members of a *GST group if:
- (a) the member becomes an *incapacitated entity; and
 - (b) the *representative of the incapacitated entity applies to the Commissioner in the *approved form for the member’s approval to be revoked.

22 After section 48-70

Insert:

48-72 Effect of representative member becoming an incapacitated entity

- (1) The *representative member of a *GST group ceases to be the representative member of the group if the representative member becomes an *incapacitated entity.
- (2) Subsection (1) does not apply if, when the *representative member of the group becomes an *incapacitated entity, all the other *members of the group are incapacitated entities.
- (3) The *representative member of a *GST group ceases to be the representative member of the group if:
 - (a) all the *members of the group are *incapacitated entities; and

- (b) a member of the group who is not the representative member ceases to be an incapacitated entity.
- (4) If a *member of a *GST group ceases, because of this section, to be the *representative member of the group, the Commissioner must approve another member of the group to replace that member as the representative member of the group if:
 - (a) any member of the group applies to the Commissioner in the *approved form for that other member to be so approved; and
 - (b) that other member is not an *incapacitated entity.

48-73 Tax periods of GST groups with incapacitated members

- (1) If a *member of a *GST group becomes an *incapacitated entity, the *representative member of that group may, by notifying the Commissioner in the *approved form, elect for the tax period that applies at the time to the members of the group to end at the same time as the incapacitated entity's tax period ends under subsection 27-39(1).

Note 1: Section 31-10 provides for when a GST return must be given to the Commissioner for a tax period other than a quarterly tax period.

Note 2: If the representative member does not make an election under this section when a member of the group becomes an incapacitated entity, it is likely that the member would no longer satisfy paragraph 48-10(1)(d), and that the Commissioner would revoke its approval as a member of the group under subsection 48-70(2).

- (2) If a tax period (the *first tax period*) ends on a particular day because of subsection (1), the next tax period starts on the day after that day and ends when the first tax period would have ended but for that subsection.
- (3) This section has effect despite Division 27 (which is about how to work out the tax periods that apply).

23 Subsection 48-75(2)

Repeal the subsection, substitute:

- (2) The Commissioner must revoke the approval of a *GST group if:
 - (a) the Commissioner is satisfied that none of its *members, or only one of its members, *satisfies the membership requirements for that GST group; or
 - (b) the Commissioner is satisfied that:

- (i) a member of the GST group has ceased, because of section 48-72, to be the *representative member of the group; and
- (ii) in the period of 21 days since the cessation, the Commissioner has not been required under subsection 48-72(4) to approve another member of the group to replace that member as the representative member of the group.

Note: Revoking under this subsection the approval of a GST group is a reviewable GST decision (see Subdivision 110-F in Schedule 1 to the *Taxation Administration Act 1953*).

24 After section 58-15

Insert:

58-20 Representatives are required to be registered

- (1) A *representative of an *incapacitated entity is ***required to be registered*** in that capacity if the incapacitated entity is *registered or *required to be registered.
- (2) This section has effect despite section 23-5 (which is about who is required to be registered).

58-25 Cancellation of registration of a representative

- (1) The Commissioner must cancel the *registration of a *representative of an *incapacitated entity if the Commissioner is satisfied that the representative is not *required to be registered in that capacity.

Note: Cancelling the registration of a representative under this subsection is a reviewable GST decision (see Subdivision 110-F in Schedule 1 to the *Taxation Administration Act 1953*).

- (2) The Commissioner must notify the *representative of the cancellation.
- (3) Sections 25-50 and 25-55 do not apply to the cancellation of the *registration of a *representative of an *incapacitated entity.

58-30 Notice of cessation of representation

A *representative who ceases to be a representative of an *incapacitated entity must notify the Commissioner of that cessation, in the *approved form, within 21 days after so ceasing.

58-35 Tax periods of representatives

- (1) If a *representative of an *incapacitated entity is *required to be registered in that capacity, the tax periods applying to the representative in that capacity are the same tax periods that apply to the incapacitated entity.
- (2) This section has effect despite Division 27 (which is about how to work out the tax periods that apply).

25 At the end of Division 58

Add:

58-45 GST returns for representatives of incapacitated entities

- (1) If an individual is appointed as a *representative of 2 or more *incapacitated entities, the individual may give to the Commissioner one *GST return for a tax period in respect of the entities if the entities are *members of the same *GST group.
- (2) This section has effect despite section 31-5 (which is about who must give GST returns).

58-50 Representatives to give GST returns for incapacitated entities

- (1) A *representative of an *incapacitated entity must give to the Commissioner a *GST return for a tax period applying to the incapacitated entity if:
 - (a) the incapacitated entity has failed to give to the Commissioner a GST return for a tax period; and
 - (b) the Commissioner, in writing, directs the representative to give to the Commissioner a GST return.

Note: Deciding to direct a representative of an incapacitated entity to give to the Commissioner a GST return is a reviewable GST decision (see Subdivision 110-F in Schedule 1 to the *Taxation Administration Act 1953*).

- (2) The tax period may be any tax period applying to the *incapacitated entity, including:
 - (a) a tax period that ends before the *representative became a representative of the incapacitated entity; and
 - (b) a tax period that starts after the representative became a representative of the incapacitated entity.
- (3) The *GST return by the *representative:
 - (a) must be in accordance with the requirements of Division 31 as they would apply in relation to the *incapacitated entity except to the extent that the direction under paragraph (1)(b) modifies those requirements; and
 - (b) must be given to the Commissioner within the period specified in the direction.
- (4) Without limiting the matters that the Commissioner may take into account in deciding whether to give a direction under paragraph (1)(b), the Commissioner must take into account:
 - (a) the likelihood of a dividend to unsecured creditors of the *incapacitated entity being declared, and the likely amounts of any such dividend; and
 - (b) the likelihood that, if the Commissioner were given the *GST return, it would reveal a liability to pay an amount to the Commissioner under the *GST law; and
 - (c) the availability of books and records that would make it possible to prepare the GST return; and
 - (d) the likelihood that the cost to the *representative of preparing the GST return would be covered by the incapacitated entity's assets without resulting in an unreasonable impact on the other creditors of the incapacitated entity.
- (5) The *incapacitated entity is taken to have complied with Division 31 in relation to giving a *GST return for a tax period if the *representative gives to the Commissioner a return for the tax period in accordance with this section.
- (6) A direction under paragraph (1)(b) is not a legislative instrument.
- (7) This section has effect despite section 31-5 (which is about who must give GST returns).

58-55 Incapacitated entities not required to give GST returns in some cases

- (1) An *incapacitated entity is not required to give a *GST return for a tax period if:
 - (a) the entity's *net amount for the tax period is zero; and
 - (b) the entity does not have an *increasing adjustment that is attributable to the tax period; and
 - (c) the entity is not liable for GST that is attributable to the tax period.
- (2) This section has effect despite section 31-5 (which is about who must give GST returns).

58-60 Representative to notify Commissioner of certain liabilities etc.

- (1) A *representative of an *incapacitated entity must notify the Commissioner, in the *approved form, of an amount of GST for which the entity is liable, or an *increasing adjustment that the entity has, if:
 - (a) the representative becomes aware, or could reasonably be expected to have become aware, of the amount of GST, or the adjustment; and
 - (b) the amount of GST, or the adjustment, has not been taken into account in any *GST return that has been given to the Commissioner; and
 - (c) the Commissioner has not been previously notified of the amount of GST, or the adjustment, under this section.

Note: Section 286-75 in Schedule 1 to the *Taxation Administration Act 1953* provides an administrative penalty for breach of this subsection.

- (2) The notification must be given to the Commissioner before the day on which the *representative declares a dividend to unsecured creditors of the *incapacitated entity.
- (3) This section does not apply if the *representative is a representative of a kind that does not have the capacity to declare dividends to unsecured creditors of the *incapacitated entity.
- (4) This section does not apply in circumstances determined by the Commissioner under subsection (5).

- (5) The Commissioner may, by legislative instrument, determine circumstances in which this section does not apply.

58-65 Money available to meet representative's liabilities

A *representative of an *incapacitated entity who is liable to pay an amount because of this Division is authorised and required to apply any money which the representative receives in his or her capacity as that representative in order to pay the liability.

58-70 Protection for actions of representative

A *representative of an *incapacitated entity is not liable to civil or criminal proceedings in relation to an act done, or omitted to be done, in good faith, in the performance or purported performance, or exercise or purported exercise, of the representative's duties or powers under, or in relation to, the *GST law.
