$$\text{Applicable instalment rate} \times \frac{\text{Your *instalment income for that instalment month}}{\text{for that instalment month}}$$

- (2) For the purposes of the formula in subsection (1):

applicable instalment rate means:

- (a) unless paragraph (b) or (c) applies—the most recent instalment rate given to you by the Commissioner under section 45-15 before the end of that month; or
- (b) if you have chosen an instalment rate for that month under section 45-205—that rate; or
- (c) if you have chosen an instalment rate under section 45-205 for an earlier *instalment month in that income year (and paragraph (b) does not apply)—that rate.

Note: If you believe the Commissioner's rate is not appropriate for the current income year, you may choose a different instalment rate under Subdivision 45-F.

- (3) The Commissioner may, by legislative instrument, determine one or more specified additional methods by which a specified class of entity that is a *monthly payer at the end of an *instalment month may work out, in specified circumstances, the amount of an instalment that it is liable to pay for the instalment month.

Note: For specification by class, see subsection 13(3) of the *Legislative Instruments Act 2003*.

- (4) You may choose a method specified in the determination:
- (a) unless paragraph (b) applies—for any *instalment month; or
 - (b) if the determination provides that that method can be chosen only for the first instalment month in an *instalment quarter—for the first instalment month in an instalment quarter.
- (5) The determination may provide that an entity that chooses a method in accordance with paragraph (4)(b) for the first *instalment month in an *instalment quarter is taken to have chosen that method under subsection (4) for the other instalment months in that quarter. The determination has effect accordingly.
- (6) Subsection (7) applies if:
- (a) the Commissioner has made a determination under subsection (3); and
 - (b) at the end of an *instalment month, you are a *monthly payer; and
 - (c) you choose under subsection (4), for that month:
 - (i) if the determination specifies one additional method to work out that amount—that method; or
 - (ii) if the determination specifies more than one additional method to work out that amount—one of those methods.
- (7) Despite subsection (1), work out the amount of an instalment you are liable to pay for that *instalment month in accordance with the method that you chose for that month under subsection (4).

Part 3—Application and transitional provisions

45 General application of amendments

The amendments made by this Schedule apply to starting instalment months that start on or after 1 January 2014.

46 Delayed application to non-corporate tax entities

Despite subsection 45-138(1) in Schedule 1 to the *Taxation Administration Act 1953*, an entity cannot be a monthly payer at a time if:

- (a) the entity is *not* a corporate tax entity at the time; and
- (b) the time is before 1 January 2016.

47 Transitional MPR thresholds

- (1) Subitem (2) applies if an entity is a corporate tax entity.
- (2) If the entity's MPR test day for an income year mentioned in subsection 45-138(1) in Schedule 1 to the *Taxation Administration Act 1953* is before 1 October 2015, treat the reference in paragraph (a) of that subsection to \$20 million as a reference to:
 - (a) if that MPR test day is before 1 October 2014—\$1 billion; or
 - (b) otherwise—\$100 million.
- (3) Subitem (4) applies if an entity is *not* a corporate tax entity.
- (4) If the entity's MPR test day for an income year mentioned in subsection 45-138(1) in Schedule 1 to the *Taxation Administration Act 1953* is before 1 October 2016, treat the reference in paragraph (a) of that subsection to \$20 million as a reference to \$1 billion.
- (5) Disregard subitems (2) and (4) for the purposes of subsection 45-136(4) in Schedule 1 to the *Taxation Administration Act 1953* (MP stop notice).

48 Additional MPR test days

- (1) This item applies if:
 - (a) (apart from this item) there is a time in an income year when you are *not* a monthly payer; and
 - (b) either:

Schedule 1 Monthly PAYG instalments
Part 3 Application and transitional provisions

- (i) if you are a corporate tax entity at the time—the income year includes 1 January 2014, 1 January 2015 or 1 January 2016; or
- (ii) if you are *not* a corporate tax entity at the time—the income year includes 1 January 2016 or 1 January 2017.

Note: This item may have a separate application for each of a number of income years.

- (2) In determining whether you satisfy the requirement in subsection 45-138(1) in Schedule 1 to the *Taxation Administration Act 1953* for the income year, treat your MPR test day for that income year as being:
 - (a) in a case where subparagraph (1)(b)(i) applies:
 - (i) if the income year includes 1 January 2014—1 October 2013; or
 - (ii) if the income year includes 1 January 2015—1 October 2014; or
 - (iii) if the income year includes 1 January 2016—1 October 2015; or
 - (b) in a case where subparagraph (1)(b)(ii) applies:

 - (ii) if the income year includes 1 January 2017—1 October 2016.
- (3) If you are a monthly payer at a time in an income year because of subitem (2), treat the starting instalment month in the income year as being:
 - (a) unless paragraph (b) applies—the first instalment month that starts on or after the following day (the *application day*):
 - (i) if subparagraph (2)(a)(i) applies—1 January 2014;
 - (ii) if subparagraph (2)(a)(ii) applies—1 January 2015;
 - (iii) if subparagraph (2)(a)(iii) applies—1 January 2016;
 - (iv) if subparagraph (2)(b)(i) applies—1 January 2016;
 - (v) if subparagraph (2)(b)(ii) applies—1 January 2017; or
 - (b) if:
 - (i) apart from subitem (2), you are a quarterly payer; and
 - (ii) the application day is not the first day of an instalment quarter;

the first instalment month that starts on or after the start of the *next* instalment quarter.

- (4) If you would (apart from subitem (2)) be an annual payer and you would (apart from this subitem) become a monthly payer at a time in the income year under paragraph (3)(a):
- (a) you are taken *not* to satisfy the requirement in subsection 45-138(1) in Schedule 1 to the *Taxation Administration Act 1953* for the income year because of the operation of subitem (2); and
 - (b) instead, you are taken to satisfy that requirement for the *next* income year.

Note: In this case, you become a monthly payer in that next income year at the time specified in subsection 45-136(3) in Schedule 1 to the *Taxation Administration Act 1953*.

- (1) Subitem (2) applies if an entity must give the Commissioner a notice under subsection 45-138(7) in Schedule 1 to the *Taxation Administration Act 1953* in respect of an income year because its MPR test day for that income year is treated under item 48 as being a particular day (the ***additional MPR test day***).
- (2) Despite subsection 45-138(7) in Schedule 1 to the *Taxation Administration Act 1953*, the entity must give the notice before the 1 January that follows the additional MPR test day.

Subdivision 415-A—Object of this Division

Table of sections

415-5 Object of this Division

Subdivision 415-B—Tax losses and bad debts

Guide to Subdivision 415-B

415-10 What this Subdivision is about

The unutilised amounts of a designated infrastructure project entity’s tax losses are increased each year by the long term bond rate. A *designated infrastructure project entity* is a fixed trust or company that:

- (a) carries on an infrastructure project designated under Subdivision 415-C; and
- (b) only engages, and has only ever engaged, in activities for the purposes of carrying on that designated infrastructure project.

Schedule 2 Incentives for designated infrastructure projects
Part 1 Main amendments

The tests that apply in relation to tax losses and bad debts if there is a change of ownership of an entity are modified so that periods during which the entity is a designated infrastructure project entity are not tested.

The loss utilisation rules in Subdivision 707-C do not apply if the head company of a consolidated group is a designated infrastructure project entity after another designated infrastructure project entity joins the group.

Note: The transfer rules in subsection 707-120(1A) do not apply if a designated infrastructure project entity joins a consolidated group: see subsection 707-120(5).

- 415-45 Losses transferred to head companies of consolidated groups

Uplift of tax losses

415-15 Uplift of tax losses of designated infrastructure project entities

- (1) The amount of a *tax loss of a *loss year of an entity is increased, at the end of each later income year (and before any *utilisation of the tax loss by the entity in the later income year), by the amount worked out using the following formula:

$$\begin{array}{r} \text{Amount of the *tax loss,} \\ \text{to the extent it has} \\ \text{not been *utilised} \end{array} \times \begin{array}{r} \text{*Long term bond} \\ \text{rate for the later} \\ \text{income year} \end{array} \times \begin{array}{r} \text{Eligible portion} \\ \text{of the later} \\ \text{income year} \end{array}$$

where:

eligible portion of the later income year means the amount worked out using the following formula:

$$\frac{\text{Number of days in the later income year on which subsection (2) applies to the entity}}{\text{Number of days in the later income year}}$$

- (2) This subsection applies to the entity on a day in the later income year if:
- (a) the entity is a *designated infrastructure project entity on that day; and
 - (b) on the day mentioned in subsection (3), the entity has notified the Commissioner (whether before, during or after the later income year) in the *approved form that the entity was, at any time, a designated infrastructure project entity.
- (3) For the purposes of paragraph (2)(b), the day is the day after the latest of the following days:
- (a) the day before which the entity:
 - (i) is required to lodge its *income tax return for the later income year with the Commissioner; or
 - (ii) if the entity is not required to lodge an income tax return for the later income year—would be required to lodge its income tax return for the later income year were the entity required to lodge such a return;
 - (b) the 28th day after the first day the entity *carries on the infrastructure project mentioned in paragraph 415-20(1)(b);
 - (c) the 28th day after the day the Infrastructure Coordinator designates the infrastructure project under section 415-70;
 - (d) a later day allowed by the Commissioner.

Note: The increase under this section can occur at the end of an income year even if, at the end of the year, the entity does not know the entity is a designated infrastructure project entity (e.g. because the Infrastructure Coordinator has not yet designated the infrastructure project that the entity carries on, but the Infrastructure Coordinator does so later).

Consolidated groups

- (4) Disregard paragraph 701-30(3)(a) for the purposes of the denominator in the formula in the definition of ***eligible portion of the later income year*** in subsection (1) of this section.

Note: Paragraph 701-30(3)(a) applies if the entity becomes a subsidiary member of a consolidated group during the later income year.

- (5) For the purposes of applying this section to a *tax loss the *head company of a *consolidated group makes as mentioned in subsection 707-140(1):
- (a) the head company is treated as having made the loss in the income year before the income year in which the transfer mentioned in that subsection occurs; and
 - (b) subsection (2) of this section is treated as not applying to the head company on or before the day the transfer occurs;
- unless the transferred loss was a non-membership period loss (within the meaning of subsection 701-30(3)) in relation to the group.

Note: Subsection 707-140(1) treats the head company of a consolidated group as having made a loss in an income year in which a loss is transferred to the head company from an entity that joins the group.

Total net forgiven amounts

- (6) A reference in subsection (1) to any *utilisation of a *tax loss is treated as including a reference to any reduction of the loss by the application of a *total net forgiven amount.

415-20 ***Designated infrastructure project entity***

Designated infrastructure project entity

- (1) An entity is a ***designated infrastructure project entity*** at a time (the ***relevant time***) if:
- (a) at the relevant time, the entity is a *fixed trust or a company; and
 - (b) at or after the relevant time, the entity *carries on a single *designated infrastructure project; and
 - (c) the entity does not, at or before the relevant time, carry on any other designated infrastructure project; and

- (d) the only activities in which the entity engages at the relevant time, or engaged before the relevant time, are or were for the purposes of the entity carrying on the single designated infrastructure project.
- (2) For the purposes of this section:
- (a) an *enterprise that becomes a *designated infrastructure project at a time is treated as having been a designated infrastructure project at all earlier times; and
 - (b) if the entity *carries on (whether or not at the same time) one or more parts, but not the whole, of a single designated infrastructure project—the parts are treated as being a single designated infrastructure project; and
 - (c) in any case—the following are treated as being a single designated infrastructure project:
 - (i) a single designated infrastructure project (the ***listed infrastructure project***) that is included on an Infrastructure Priority List;
 - (ii) any designated infrastructure projects that the entity carries on (whether or not at the same time) and that are part of the listed infrastructure project; and
- Note: For Infrastructure Priority Lists, see paragraph 5(2)(b) of the *Infrastructure Australia Act 2008*.
- (d) in any case—any designated infrastructure projects that the entity carries on (whether or not at the same time) and that are part of a single infrastructure project that:
- (i) is included on an Infrastructure Priority List; and
 - (ii) is not a designated infrastructure project;
- are treated as being a single designated infrastructure project.

Partnerships

- (3) Subsection (4) applies to an entity if:
- (a) the entity is a *fixed trust or a company; and
 - (b) the person that is the trustee of the trust, or the person that is the company, is a partner in a partnership.
- (4) For the purposes of subsections (1) and (2), the entity:
- (a) is treated as *carrying on any *designated infrastructure project carried on by the partnership; and

Schedule 2 Incentives for designated infrastructure projects
Part 1 Main amendments

- (b) is treated as engaging in any activity engaged in by the partnership; and
- (c) if the partnership engages in an activity for the purpose of the partnership carrying on a designated infrastructure project— is treated as engaging in that activity for the purpose of the entity carrying on that designated infrastructure project.

Consolidated groups

- (5) For the purposes of working out whether the *head company of a *consolidated group was a *designated infrastructure project entity at a time (whether before or after the group consolidates), section 701-5 (Entry history rule) is treated as not applying to the head company in relation to an entity that was not a *member of the consolidated group at that time.
- (6) For the purposes of working out whether an entity is a *designated infrastructure project entity at a time after the entity ceases to be a *subsidiary member of a *consolidated group, section 701-40 (Exit history rule) is treated as not applying to the entity in relation to the group.
