Guide to Division 370

370-1 What this Division is about

The Commissioner may determine a modification of the operation of a provision of a taxation law. The modification must not be inconsistent with the intended purpose or object of the provision.

Furthermore:

- (a) the Commissioner must consider the modification to be reasonable; and
- (b) the Department, or the Finance Department, must advise that any impact of the modification on the Commonwealth budget would be negligible.

Example: After a provision of a taxation law is enacted, it is found that, because of developments in the practices of businesses or the Commissioner, the provision imposes disproportionate compliance costs on taxpayers. The Commissioner might, under this Division, be able to modify the operation of the provision to give timely relief.

An entity must not apply a modification if it would produce a less favourable result for the entity.

Note: The Commissioner must include in the Commissioner's annual report under section 3B of this Act information about the exercise of his or her powers under this Division.

Subdivision 370-A—Commissioner's remedial power

Table of sections

370-5	Commissioner's remedial power
370-10	Intended purpose or object
370-15	Repeal of determinations
370-20	Commencement of determinations

370-5 Commissioner's remedial power

- (1) The Commissioner may, by legislative instrument, determine a modification of the operation of a provision of a *taxation law if:
 - (a) the modification is not inconsistent with the intended purpose or object of the provision; and

- (b) the Commissioner considers the modification to be reasonable, having regard to:
 - (i) the intended purpose or object of the provision; and
 - (ii) whether the cost of complying with the provision is disproportionate to that intended purpose or object; and
 - (c) any of the following persons advises the Commissioner that any impact of the modification on the Commonwealth budget would be negligible:
 - (i) the Secretary of the Department, or an APS employee in the Department who is authorised by the Secretary for the purposes of this paragraph;
 - (ii) the *Finance Secretary, or an APS employee in the *Finance Department who is authorised by the Finance Secretary for the purposes of this paragraph.
- (2) If the Commissioner determines a modification of the operation of a provision of a *taxation law under subsection (1), the provision operates with the modification.

Scope of determination

- (3) A modification applies generally, unless the determination states that the modification only applies:
 - (a) to a specified class of entities; or
 - (b) in specified circumstances.
- (4) An entity (the **first entity**) must treat a modification as:
 - (a) not applying to the first entity; and
 - (b) not applying to any other entity;if the modification would produce a less favourable result for the first entity.
- (5) If the Commissioner determines a modification of the operation of a provision of a *taxation law, the modification (as applied by subsection (2)) does not affect a right or liability under an order (including any judgment, conviction or sentence) made by a court before the commencement of the determination.

370-10 Intended purpose or object

In ascertaining the intended purpose or object of a provision of a *taxation law for the purposes of paragraph 370-5(1)(a) or subparagraph 370-5(1)(b)(i):

- (a) consideration must be given to any documents that may be considered under subsection 15AB(2) of the *Acts Interpretation Act 1901* (or that subsection as applied by section 13 of the *Legislation Act 2003*) in relation to the provision; and

Example: An explanatory memorandum, second reading speech or report of a parliamentary committee.

- (b) consideration may be given to any other material (including material not forming part of the provision) that would assist in ascertaining the intended purpose or object of the provision; and
- (c) primacy is not required to be given to the text of the provision.

Note: Ascertaining an intended purpose or object for the purposes of paragraph 370-5(1)(a) or subparagraph 370-5(1)(b)(i) is not necessarily the same as ascertaining a purpose or object for the purposes of interpreting a provision of an Act.

370-15 Repeal of determinations

- (1) The Commissioner may, by legislative instrument, repeal a determination made under section 370-5.
- (2) A legislative instrument made under subsection (1) of this section may make an application, saving or transitional provision relating to the repeal.
- (3) Subsection 33(3) of the *Acts Interpretation Act 1901* does not apply in relation to the repeal, rescission or revocation of a determination made under section 370-5 in this Schedule (but does apply in relation to the amendment or variation of such a determination).

370-20 Commencement of determinations

A determination made under section 370-5, or a repeal made under section 370-15, must not commence before the first day it is no longer liable to be disallowed, or to be taken to have been disallowed, under section 42 of the *Legislation Act 2003*.

Note: A choice that you make under section 392-25 has the effect that this Division does not apply to your assessments for 10 income years. None of these income years can be taken into account in applying this section after the 10 year opt-out period.

3 Subsection 392-25(1)

Omit “*or any later income year*”, substitute “or any of the next 9 income years”.

4 After subsection 392-25(1)

 - (b) luxury car tax is payable on the supply; and
 - (c) you are *registered at the time of the supply; and

- (3A) You have an ***increasing luxury car tax adjustment*** if:

 - (b) you had a *decreasing luxury car tax adjustment under subsection (1A) in relation to the supply; and
 - (c) either:

- (i) you use the car (or permit it to be used), and that use would have prevented a decreasing luxury car tax adjustment arising under that subsection if it had been your purpose in acquiring the car; or
- (ii) you supply the car to another entity.

(3B) However, subparagraph (3A)(c)(ii) does not apply if luxury car tax would, because of paragraph 7-10(3)(ba), not have been payable if the other entity had instead *imported the car for the same purpose as its purpose in acquiring the car from you.

4 After subsection 15-35(3)

Insert:

- (3A) You have an *increasing luxury car tax adjustment* if:

 - (ii) you supply the car to another entity.

(3B) However, subparagraph (3A)(c)(ii) does not apply if luxury car tax would, because of paragraph 7-10(3)(ba), not have been payable if the other entity had instead *imported the car for the same purpose as its purpose in acquiring the car from you.

5 After paragraph 15-35(4)(b)

Insert:

144 Object of items 145 to 148

The object of items 145 to 148 is to ensure that, despite the repeals made by this Part, the full legal and administrative consequences of:

- (a) any act done or omitted to be done; or
- (b) any state of affairs existing; or
- (c) any period ending;

before such a repeal applies, can continue to arise and be carried out, directly or indirectly through an indefinite number of steps, even if some or all of those steps are taken after the repeal applies.

145 Saving provision about liability for excise

If a provision, or part of a provision, that is repealed by this Part results in consequences because an entity is or was liable for a duty of excise, the repeal is disregarded in relation to liabilities arising, before or after the repeal applies, in relation to any act done or omitted to be done, any state of affairs existing, or any period ending, before the repeal applies.

146 Saving provision about collections etc.

If the imposition, demand or collection of an amount of a duty of excise was made, or taken to be, lawful, valid or effectual to any extent immediately before the commencement of this item under an Act repealed by this Part, then the imposition, demand or collection continues to be, or to be taken to be, lawful, valid or effectual to the same extent after the commencement of this item.

147 Repeals disregarded for the purposes of dependent provisions

If the operation of a provision (the *subject provision*) of any Act or legislative instrument depends to any extent on an Act, or a provision of an Act, that is repealed by this Part, the repeal is disregarded so far as it affects the operation of the subject provision.

148 Operation of section 7 of the *Acts Interpretation Act 1901* not limited

Items 145 to 147 do not limit the operation of section 7 of the *Acts Interpretation Act 1901*.
